A WARM WELCOME TO UWE BRISTOL

We know how important it is to choose the right university and that's why we've created a learning experience that offers you more than just a degree.

UWE Bristol is one of the UK's most popular universities with over 30,000 students studying here and with our overseas partners. Based in one of the UK's most thriving and creative cities, Bristol is a great place to study in with plenty of opportunities both socially and professionally.

We have an excellent reputation for graduate employability and industry partnerships so you can benefit from opportunities to take part in placements, internships or live projects that give you the real world experience you need.

Our outstanding research is making a real impact in society. From developing robotic tools to improving air quality, we're changing lives for the better. And you'll benefit too, as our research and innovation informs the teaching experiences that we provide.

With our excellent facilities, support services and experienced and well-connected academics, we make sure you have the very best student experience possible.

I'm incredibly proud of what our graduates go on to achieve and I look forward to welcoming you to our UWE Bristol community.

Professor Steve West
Vice-Chancellor
President and CEO UWE Bristol

MORE THAN A DEGREE – A 360° EXPERIENCE

We're living in competitive times where you need the right skills, knowledge, experience and mindset to get the career you want. That's the UWE Bristol 360° experience.

Everything we do here focuses on getting you ready for the future you want. Courses designed to meet industry needs? Work experience? You've got it.

We create a real world learning experience so that you leave us as an adaptable, well-rounded, work-ready graduate.

Don't just take our word for it – the facts speak for themselves.

- 94% of UWE Bristol international first-degree graduates are in employment or further study six months after graduation.*
- 28th – UWE Bristol ranked 28th out of 121 UK institutions in the 2020 Guardian league table.
- 79% of UWE Bristol graduates are in professional or managerial jobs after six months.
- Top 7 in England for student satisfaction.**

“

Studying at UWE Bristol has been a fantastic opportunity, where I've felt encouraged to develop myself, both personally and professionally. The teaching staff are amazing – so passionate and knowledgeable about their subject, and I feel like my course is preparing me well for my career.

Some of the highlights include spending a year studying in Italy on the Erasmus Programme, as well as going on a study trip to Hong Kong where I worked on a project to improve water treatment.

YOUR BRISTOL

We love Bristol, and it's easy to see why. Relaxed, creative and multicultural, our city is home to around 450,000 people – including many of UWE Bristol's 30,000+ students.

A city of opportunities

Due to its thriving economy, many multinationals such as Rolls-Royce and Airbus choose to base themselves in Bristol. From banking, the creative industries and engineering to tech and healthcare, you'll find exciting opportunities across all sectors.

A well-connected city

With an airport, two railway stations and a coach station, Bristol is well connected with the rest of the UK and beyond.

- All campuses are connected by bus to the city centre and region.
- Cyclists can take advantage of the city's cycle lanes and UWE Bristol's bike hire scheme.
- Arrive in London in just 90 minutes by train or just over two hours by coach. We even have our own coach stop at Frenchay Campus.
- Bristol International Airport connects the region to the world with affordable direct flights to and from Europe, and connecting flights to Asia and the USA.

“

Bristol's a great city to be in. It's very green, friendly and culturally diverse, and much better than London, which is just too busy. Everybody's welcome and everyone feels at home here.

From our inspiring teaching staff with strong industry links, to our modern buildings and purpose-built facilities, everything is here to help you succeed.

Top teaching

We believe you deserve the best, and that's why you'll learn from academic staff who are exploring the future of your subject. Not only are they reshaping the world within industry but they're also changing the way we think through their research.

TEF Gold

In June 2018, UWE Bristol was awarded gold status in the Government rankings for higher education providers. We're among just a handful of UK universities to achieve TEF Gold standard university status in Teaching and Learning. This is the highest standard and means you can be confident that you're getting the best.

First class facilities

One of the best things about joining a newer university is that we have modern facilities designed to work for you, including:

- **Business and Law School building** – our award-nominated, ultra-modern building, fully equipped with mock courtrooms and a Bloomberg trading room.
- **The Film Studios at Bower Ashton** – our award-winning, £9 million home to industry-standard production filmmaking, animation and photography facilities for creative industries students.
- **Facilities at Glenside** – a real-life ward experience for our nursing and midwifery students with consultation rooms, maternity unit and children's unit. Plus practical learning spaces for optometrists, paramedics and occupational therapy students.

Global study opportunities

With an expanding network of global study partnerships, we can offer you a variety of ways to study a UWE Bristol degree:

- Study your whole degree with one of our overseas partners.
- Begin your studies with an overseas partner and then transfer to us to finish your degree.
- Get involved in our study abroad or exchange opportunities.

GETTING YOU CAREER READY

We want you to graduate with the skills and experience you need to succeed in your career and that's why we work closely with employers to identify skills gaps and ensure our courses are aligned to industry needs.

Real-world experience

With our extensive employer links – including Airbus, IBM, and Sony, to name just a few – we are able to offer you valuable work opportunities including placements, internships and field trips. And we've also embedded enterprise across our curriculum, so that you will develop the sought-after skills and experience you need to achieve your ambitions.

8,000+

industry placements
completed in 2017–2018

Our Careers Service

We offer a range of services to help you shape your career, gain experience or continue in further study. And the great news is that you can access the service both online and in person while studying with us and up to three years after graduation.

Our specialist careers website, GradLink, was created by UWE Bristol for UK-educated international students and graduates. You can research global graduate job markets, prepare your CV and apply for jobs, so it's a chance for you to connect with global employers to find your perfect job.

International Talent Internship Scheme

Our scheme links local employers with international students to offer you relevant work experience alongside your studies. The employers are looking for your language, cultural skills and experience, and these paid opportunities are a fantastic way to gain relevant experience to add to your CV.

SUPPORTING YOU

FROM APPLICATION TO ARRIVAL

We're committed to making sure you have all that you need to settle in the UK and get the most from your university experience.

Before you join us

We're here to support you right from your initial enquiry. The teams in our regional offices around the world and in the UK will guide you through your application and visa queries. We offer pre-departure briefings in many countries and provide information to support your arrival at UWE Bristol.

Your arrival

Our Global Ambassadors will be waiting to welcome you at Heathrow and Bristol airports, and will help you get to your campus. There will also be support available at Bristol Temple Meads train station and Bristol Bus

Station. We'll invite you to attend our International Student Orientation, which is a great way to make new friends and settle in.

After you've arrived

Once you're here, there's plenty of support available as and when you need it. UWE Bristol's Global Centre is there to help you settle into student life – meet new friends, relax or get involved in many events and activities. You can also join in our Language Cafe, where you can practise your language skills. And our student team of Global Ambassadors and Buddies are available to support you, as well as offer advice about living in Bristol.

SUPPORTING YOU

AS A STUDENT WITH US

We want you to settle in from day one and that's why we offer plenty of academic and personal support to help you make a smooth transition from your home country to UWE Bristol:

- **Faculty support staff** – our specialist staff will advise you on your course, modules, credits and refer you to other services.
- **Academic Personal Tutor** – you'll be assigned an Academic Personal Tutor at the start of your course, and they'll provide support throughout your studies to help you progress.
- **24/7 study resources** – with quiet study or group learning spaces, you'll find it here. And our library is open 24/7 offering you the flexibility to study whenever suits you best.
- **Peer Assisted Learning (PAL)** – PAL is our student-to-student support scheme aimed at supporting you with study skills as well as starting university.
- **English language skills** – we offer a range of courses for international students who need to improve their English in order to study at undergraduate and postgraduate level. Additionally, our International Summer School prepares you for study in the UK.
- **Student Support Advisers** – our friendly, professional advisers help you deal with changes in your personal circumstances, money worries or changing course.
- **Wellbeing Service** – we encourage you to talk to us if you're experiencing challenging personal difficulties including mental health concerns. With lots of advice and support available, we're always here to listen to you.
- **Disability Service** – if you have a disability, we can offer specific support to help you access your course.

LIFE

OUTSIDE YOUR STUDIES

A great university experience is about more than just getting a good degree. It's the perfect time to develop yourself away from your course. So, whether you want to focus on your current interests or discover a new passion, it's all here for you to explore.

- **UWE Bristol Students' Union** – with over 180 sports clubs, societies and networks for you to join, you'll be spoilt for choice.
- **Sports clubs** – we have sports clubs including football, cricket, rugby, netball, American football and more.
- **Faith and culture societies** – Islamic, Hindu, Malaysian and Vietnamese, to name just a few – if you'd like to meet friends who share similar views.
- **Events** – get involved in exciting events like Africa Week and Feel Good February.

- **Music** – develop your musical talents at the Centre for Music. You could even perform in one of their shows.
- **Volunteering** – give back to society through our volunteering projects.
- **Centre for Sport** – a modern gym with fitness suites and classes throughout the week, there's so much to get involved in.

Whatever your interests, you'll be sure to find something to suit you here. So join in, have fun and get the most from your student experience.

YOUR UWE BRISTOL CAMPUSES

UWE Bristol is a campus-based university consisting of three safe and secure campuses – Frenchay, Glenside and City Campus. Each has its own distinct identity and a strong community.

Living on campus

Get to lectures in minutes and benefit from our fantastic facilities right on your doorstep. Catch up with friends in The Students' Union or bars and cafes on campus. And always feel safe in the heart of your student community.

FRENCHAY CAMPUS

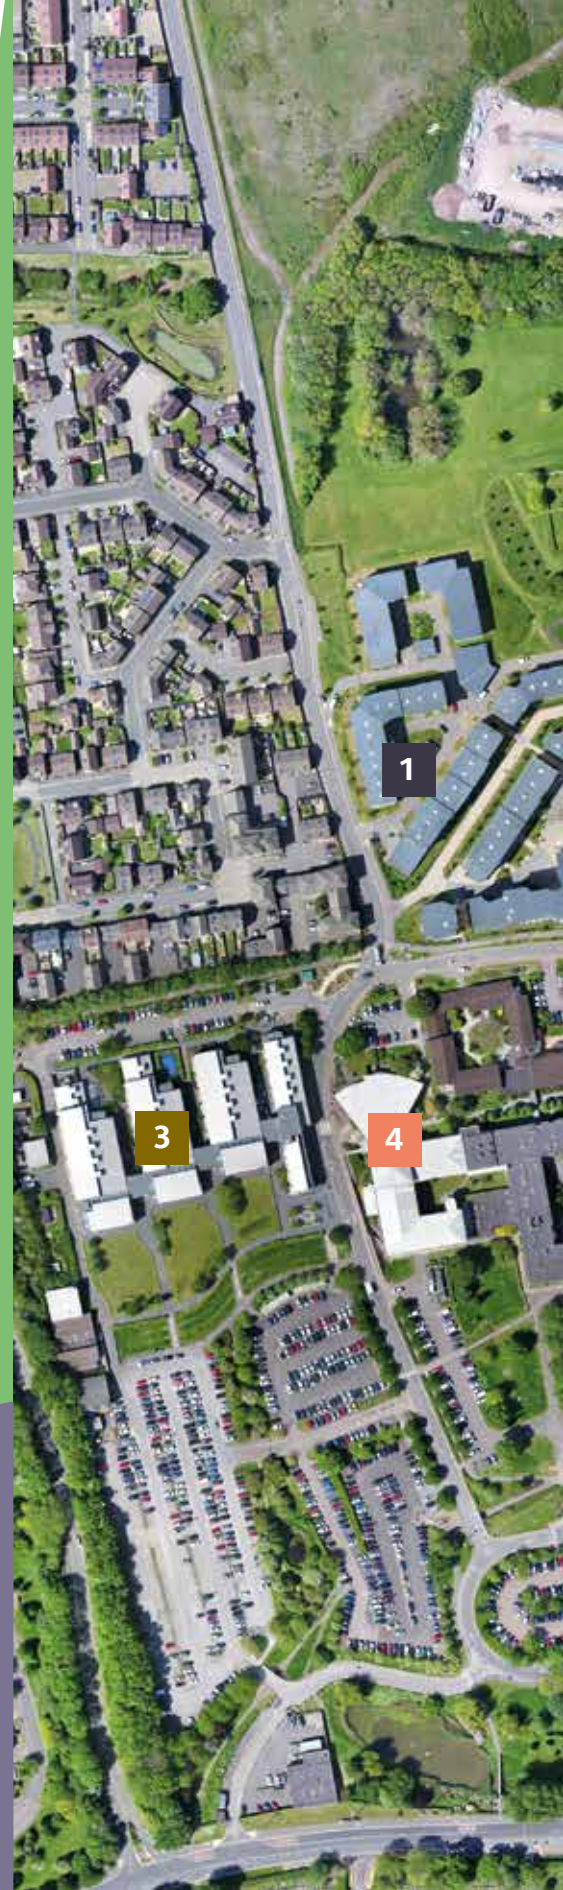

Our main campus is based at Frenchay – just four miles north of the city centre. This is where most of our students study and many choose to live too. It's also home to our £55 million Bristol Business and Law School as well as The West of England University Enterprise Zone (UEZ), one of only four in the country. As part of the UEZ, Future Space is a dynamic new workspace – with lab space, workshops and offices – for innovative business start-ups and small companies specialising in science and high-tech areas.

CITY CAMPUS

Our creative and cultural industries campus spans the city and consists of several sites at Bower Ashton Studios, Spike Island, Arnolfini and Watershed. Bower Ashton is the main hub of the Campus and is where teaching takes place for the School of Art and Design and the School of Film and Journalism.

Creative City

Bower Ashton is set in peaceful ancient parkland a stone's throw from the iconic Clifton Suspension Bridge – while our Spike Island, Arnolfini and Watershed facilities are right in Bristol's creative heart, where you'll be working alongside industry pros and practising artists.

GLENSIDE CAMPUS

Situated in beautiful grounds in the Fishponds area of the city, Glenside Campus is just three miles northeast of the city centre. The beautiful surroundings provide an inspirational place to study.

Our new Clinical Skills Centre opened here in 2018, in a former Grade II listed NHS laundry. This new centre provides modern teaching and learning spaces for trainee paramedics, occupational therapy students, nurses and undergraduate optometrists.

Did you know?

As well as our clinical and optometry suites, there's also a Crime Scene House at Glenside. Forensic Science students gain experience in a setting that is similar to a real crime scene.

YOUR ACCOMMODATION OPTIONS

We want you to feel at home from the moment you arrive, and that's why we offer a range of accommodation options to suit you – both on and off campus. Wherever you choose to live, you can feel assured it will be safe, well-equipped and comfortable. You'll live in a friendly community either in a shared flat, house or hall – but your bedroom is your own personal space.

Typically you can expect:

- A furnished single bedroom with a bed, desk, TV point and fast internet – many are ensuite too.
- Modern kitchens – shared with a group of other students.
- Communal areas for relaxing and catching up with friends.
- Laundry facilities and bike stores.
- CCTV and a security team for peace of mind.
- Gas, electricity, water, contents insurance for personal possessions (except bikes) and internet connection are all included in your accommodation fees – no unexpected costs.

Frenchay Campus accommodation

You'll have a choice of three options – the Student Village, Wallscourt Park and Carroll Court. Benefit from all of Frenchay's facilities, living only minutes away from your lectures.

“

As soon as I arrived at UWE Bristol, I felt comfortable and knew right away that it was somewhere I could call home.

Glenside Campus accommodation

Choose between living on site at Glenside or in the Hollies. Both are a just short walk to Fishponds' high street where you'll find plenty of shops, bars and cafes.

City Campus accommodation

Choose between our five city centre options. As well as enjoying all that city life has to offer, you'll also benefit from good access to the city's bus routes, so you can reach the other campuses easily.

Accommodation costs

We estimate that you'll spend between £120–£180 per week on accommodation (based on a 40-week let).

WHICH COURSE IS RIGHT FOR YOU?

We've included the courses that are likely to be of most interest to you in this prospectus; but many more are available. Please see our website for all available courses.

Pre-sessional English Programme

Our course is designed for international students who need to reach the level of English language skills required to study at UWE Bristol. The course will enable you to cope with all aspects of studying and living in the UK.

International Summer School Programme

We have a range of summer schools on offer where you can improve your English language skills, enhance your knowledge of a subject you enjoy, develop your professional skills or simply spend time in the UK experiencing British culture.

Distance learning

Distance learning allows you to study remotely without being in regular face-to-face contact. Some courses may require you to attend the University at times for study sessions.

Undergraduate bachelor's degree

This is usually a three-year degree course and the award is either a Bachelor of Arts (BA), Bachelor of Science (BSc), Bachelor of Engineering (BEng) or Bachelor of Law (LLB).

We also offer MEng(Hons) and MSci degrees in certain subjects. These are undergraduate master's degrees, which have an additional final year of postgraduate-level study built in so you graduate with a master's-level qualification.

Some architecture degrees, some engineering degrees, and all degrees with an optional placement year, last four years.

Postgraduate taught master's degree

This usually includes nine months of teaching plus a three-month research project, which can be undertaken anywhere in the world. The award is either a Master of Arts (MA), Master of Science (MSc), Master of Law (LLM) or Master of Business Administration (MBA).

We also have two-year master's courses in both Information Technology and International Management, which have the option of a placement to gain experience. Please note that while we support students to do this, we cannot guarantee the availability of placements.

Postgraduate research degree

The Professional Doctorate (Prof Doc), Master of Research (MRes), Doctor of Philosophy (PhD) and Master of Philosophy (MPhil) are all research degrees with little or no teaching involved. Research degrees take at least two to three years to complete and often longer.

UWE BRISTOL'S INTERNATIONAL COLLEGE

Your path to UWE Bristol

UWE Bristol's International College is a joint educational partnership between UWE Bristol and Kaplan International Pathways. Based at Frenchay Campus, the International College offers a pathway for international students who need to gain the necessary academic and English language skills to qualify for degree entry.

You'll benefit from small class sizes, expert teachers and regular one-to-ones, and you'll also be able to use UWE Bristol's facilities including the library, PC labs, study spaces, Centre for Sport and Students' Union.

What is a pathway course?

If you have completed high school or university, but don't meet the entry requirements for our undergraduate or postgraduate degrees, you can gain a place through a pathway course. This will give you the skills and knowledge needed to progress onto your degree at UWE Bristol. You're guaranteed entry* to your degree course as long as you pass at the required level with good attendance.

On-campus pathway courses

Foundation Certificate

To qualify for entry to an undergraduate degree at UWE Bristol, you can take a Foundation Certificate, which will fully prepare you and then allow you to progress to the first year of your degree.

“

When I started researching UK universities, I was expecting I'd have to retake modules but applying through Kaplan allowed me to pick up the modules I had missed and prepare me for my studies later on.

Bahrain

International Year One (IYO)

If you've finished high school with good grades, you might qualify to study an IYO. This combines university preparation with content that is similar to that of an undergraduate first year, allowing you to progress directly to the second year of your degree.

Pre-Master's

If you already have three years of higher education or equivalent from your home country, but you don't qualify for entry to a postgraduate degree, a Pre-Master's is ideal. This will bring your skills up to the level needed for entry onto a UWE Bristol postgraduate degree.

Off-campus pathway course

Pre-Doctorate

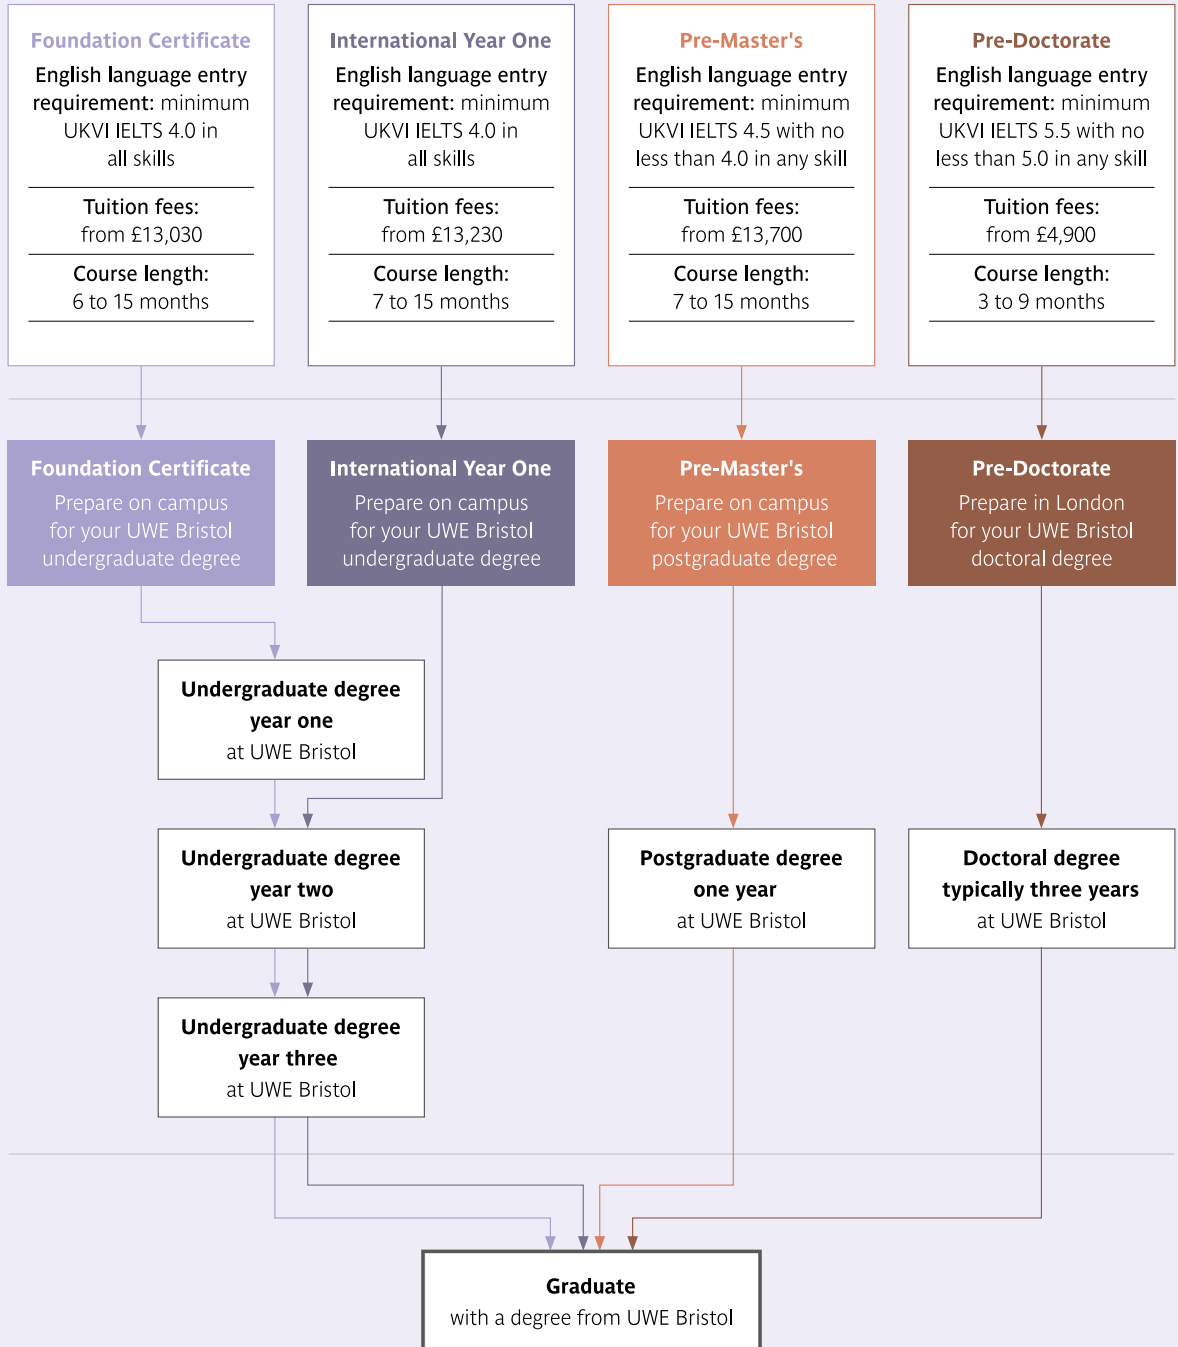

If you already have a degree, and wish to study a UWE Bristol doctoral degree, you can prepare with a Pre-Doctorate at Kaplan's International College in London. The course will help you to navigate the process of applying for a UK doctoral degree and show you how to best present yourself and your research ideas to universities at doctoral level.

* This guarantee applies to the Foundation Certificate, International Year One and Pre-Master's courses. For the Pre-Doctorate, you're guaranteed an interview for a doctoral degree at UWE Bristol if your research topic matches the University's priority areas.

WHAT HAPPENS AFTER I RECEIVE AN OFFER?

1. Log on to the UWE Bristol Welcome Portal

After you apply, we will send you an email so you can access the portal. It's important to check here regularly, as this is where we will send messages requiring your action.

2. Accept your offer

You will find your offer letter under the 'My letters' tab in the portal. You can then accept or decline your offer via the 'My applications' tab. Please note that you will only be able to apply for accommodation after you've accepted your offer.

3. Apply for accommodation

After you've accepted your offer, you'll be invited to apply for accommodation from March. We guarantee UWE Bristol accommodation as long as you apply before the 8 June deadline.

4. Complete passport, visa questions and CAS assessment task via 'My visa' page.

5. Prepare for your visa

You may need a visa to study in the UK. You can apply for your visa up to three months before your course starts. We recommend applying as soon as possible after you have received your Confirmation of Acceptance for Studies (CAS).

After you firmly accept your offer, meet any offer conditions, pay your deposit and complete all requirements listed in section 4, we will issue your CAS in the summer before your course starts.

Find out more about what you need for your visa: uwe.ac.uk/tier4visa

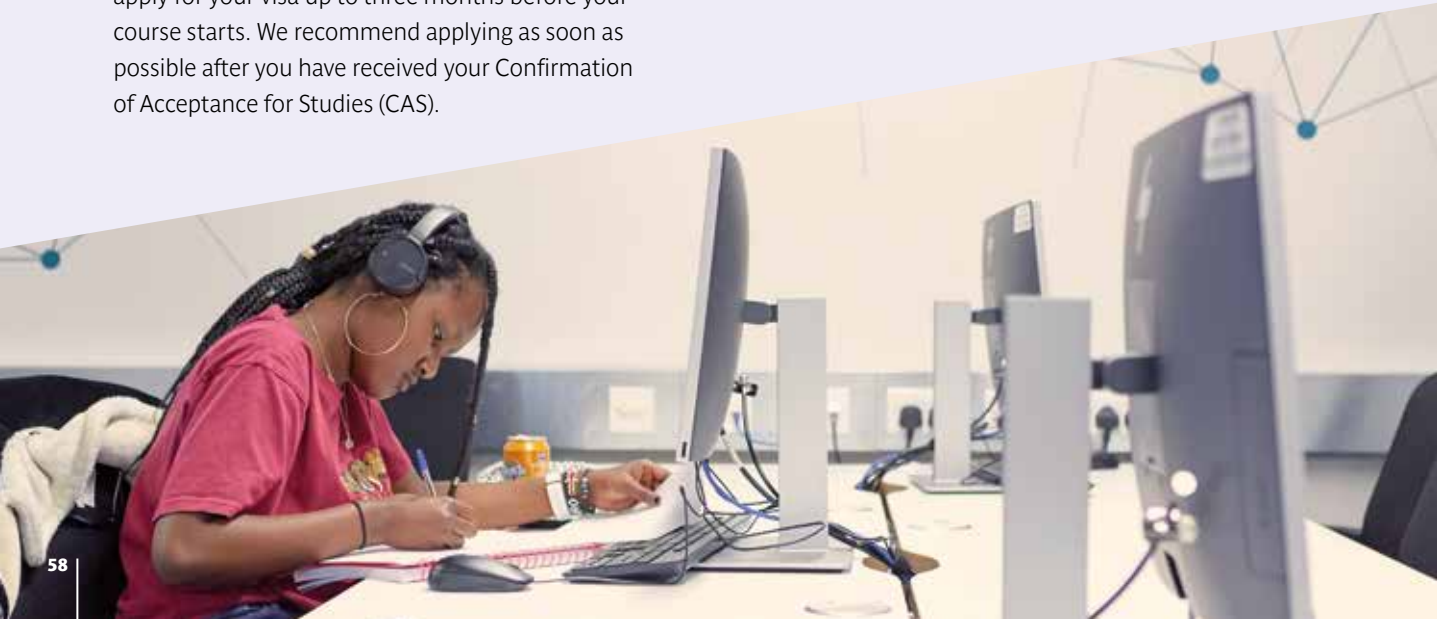

6. Upload your documents

Next you'll need to upload the following documents onto the portal:

- Passport details
- Your final results (as soon as you have your results, please upload the document(s))

7. Pay your deposit

When you've met your offer conditions and received an offer, you are required to pay a £3,000 non-refundable tuition fee deposit. You can do this via transfer or online.

THE SMALL PRINT

The information in this printed prospectus, including that relating to the availability of courses, is current at the time of going to press (July 2019) and is subject to alterations. For the most up-to-date information, please check our website.

Data protection

Personal data about students, including records of academic achievements, is stored by the University in accordance with applicable UK data protection legislation (General Data Protection Regulation and Data Protection Act 2018). The University of the West of England, Bristol, is the data controller.

Disclaimer

We've made every effort to make this prospectus as accurate as possible. However, it is printed over a year before the courses start.

We continually enhance our offer by responding to feedback from our students and other stakeholders, which may mean we make changes to courses after the prospectus is published.

You'll find the most up-to-date information about our courses on our website.

Very occasionally we have to withdraw or combine courses due to limited demand, as this would have a negative impact on the student experience. When this is the case, we'll advise you as soon as possible before the start of the course and aim to provide a suitable alternative.

Wherever possible, we use images of our campus and students. Occasionally we use stock images for illustrative purposes.
