MANCHESTER METROPOLITAN FOUNDATION YEAR

Our Foundation Year is a 1-year programme, delivered on campus, for students who do not have the qualifications to enter directly onto an honours degree (e.g. BA or BSc). Once you have passed the Foundation Year you will progress directly onto Year 1 of the linked degree. Students requiring a Tier 4 Student Visa can apply for one visa covering both the Foundation Year and the main undergraduate degree.

STUDY IN MANCHESTER
the UK's best city to live in

(Global Liveability Survey 2019
by the Economist Intelligence Unit)

"I felt really supported in my foundation year. The 'Academic Practice' unit teaches you how to reference and understand the basics of what is expected from university coursework. At college I only did exams so I found this unit really helpful."

Latifa, BA (Hons) English with Creative Writing (Foundation Year)

COURSE CONTENT

You will study a Foundation Year unit designed to develop your academic and study skills and three units relevant to your chosen subject. International students are placed on the Foundation Year International Route, which offers additional English language study skills and tutor support.

Foundation Year subject areas include:

- Accounting, Finance and Economics
- Biological Sciences
- Business and Management
- Chemistry
- Computing, Mathematics and Digital Technology
- Education and Childhood Studies
- Engineering and Product Design
- English
- Fashion, Clothing and Textiles
- History, Politics and Philosophy
- Languages, Linguistics and TESOL
- Law
- Psychology
- Social Sciences
- Tourism, Events and Hospitality Management

For a full list of the linked degrees available, please visit mmu.ac.uk/foundationyear/courses

FOUNDATION DIPLOMA IN ART AND DESIGN

This one-year course will enable you to develop the necessary skills and portfolio to apply to a range of art and design degree courses. The English requirement for this course is IELTS UKVI 5.5 overall, with no element below 5.0, and students will be required to submit a satisfactory digital portfolio as part of the admission process. www.art.mmu.ac.uk/foundation

STUDENT SUPPORT

In addition to academic support, we provide a range of personal and pastoral support that you may need while you are a student here. For the full range of support services available to students, please visit mmu.ac.uk/students

ENTRY REQUIREMENTS

Academic: 72-80 UCAS Tariff Points (Grades BC/BB) at A2 or international equivalent – generally students will need to have completed a Secondary School qualification and 12 years of education. English: IELTS 5.5 overall, with no element below 5.5 mmu.ac.uk/englishrequirements

TUITION FEES 2020/21

The Foundation Year is the same price as the main degree programme, so you will pay the same rate for each year of your degree programme, providing your progress normally. Non-EU international undergraduate students usually pay between £15,500 and £17,000 per year. Please visit our website for more information mmu.ac.uk/internationalfees

SCHOLARSHIPS

Manchester Met has a limited number of Vice-Chancellor scholarships available, each up to the value of £5,000. mmu.ac.uk/internationalscholarships
