

# COURSE DIRECTORY

The University welcomes applications from international students, and details about the acceptability of qualifications from other countries are available on the University's website at: [go.qub.ac.uk/yourcountry](http://go.qub.ac.uk/yourcountry).

Our degree courses are listed alphabetically in the following tables and include the minimum grades required in terms of A-levels. Alternative international qualifications awarded by a recognised organisation may be accepted in lieu of A-levels. Prospective applicants should check the most up-to-date course requirements before applying. For full details of our entry requirements for each course, please refer to [qub.ac.uk/courses](http://qub.ac.uk/courses)

Where alternative A-level grades are listed in Column 6, specific subject requirements may apply for the lower offer. It should be noted that some courses require specific A-level subjects and grades and/or specific GCSE subjects and grades (or equivalent qualifications). Please refer to the Course Finder on the University's website, which will have current grade and subject requirements  
[qub.ac.uk/courses](http://qub.ac.uk/courses)

Courses marked with a 'P' offer a placement option. Students taking the placement will have an additional year added to their course. Those participating normally receive remuneration.

Column 3 shows the duration of the course in years. Courses involving the study of a foreign language as a Single, Major or Joint Honours subject normally require a year to be spent in the appropriate country (or countries, in the case of Joint Honours).

**This undergraduate guide is prepared well in advance of the 2020 academic year to which it relates. Therefore, the entry requirements stated here are for guidance only.**

Further details about selection procedures are available in the individual degree programmes listed at [qub.ac.uk/courses](http://qub.ac.uk/courses) under 'Entry Requirements'. This includes a section on 'How we Choose our Students'.
