I chose York because I wanted a campus university in an area that was not too rural, but was also not a huge bustling city like London or Birmingham. I was unable to visit the University before making my decision, but the people I spoke to via email were lovely, supportive and answered all of my questions. Ultimately, York had an environment that appealed to me and a course that I really liked.

THE CITY OF YORK

York is cosy and quirky. It's not as busy as major cities, which I find really peaceful. It's safe and there's always something to do, from walking the walls to trying out independent cafés and restaurants.

Farheen, MSc Social Media and Interactive Technologies (Bangladesh)

Our green campus is within walking distance of the impressive city centre and all of its amenities.

York is a contemporary, student-friendly city, renowned for its rich history and heritage. With a population of 200,000, it's a buzzing city that's small enough to cycle and walk around.

Shopping and eating: high street favourites and cosy cafés

York offers some of the most distinctive and stylish shopping in the UK. Major retail chains and independent stores share York's iconic medieval streets. The York Designer Outlet offers 120 stores and is also a short bus ride from campus. If you need a bite to eat, the city boasts a thriving street food scene, high quality restaurants and quirky coffee shops.

Nightlife: creative hotspots and impressive venues

From bustling pubs to popular clubs, York has a lively nightlife. There is mix of venues showcasing aspiring musicians and established acts. Theatre-goers can enjoy productions at York Theatre Royal or the Grand Opera House, while film fans will love our range of cinemas across the city.

Family life: green spaces and interactive attractions

York is a great place to raise a family with a range of high-performing schools. The city also has a wealth of activities and welcoming spaces for you to enjoy. Have a picnic in the Museum Gardens or stroll around Rowntree Park, with its play parks and café, and enjoy fantastic views of York Minster from Dean's Park.

Idyllic countryside and sweeping coastlines

York's central location is perfect for exploring other UK and European cities. London is only two hours away by train and you can reach Edinburgh in two and a half hours. The beautiful Yorkshire countryside and coastline are also on our doorstep.

Travel independently or as part of a group to make friends and memories. Our student unions often arrange trips to cities, national parks and the coast.

York is such a beautiful city and perfect for students. Not only is it one of the safest cities to live in the UK, but it also has so many things to do! You can always expect something to happen during the weekends, whether it be festivals or fairs.

CAMPUS LIFE

Our beautiful parkland campus provides everything you need to make the most of your university experience.

I've been involved with Nouse as Film and TV Editor for over a year now. I'm also a member of the LUMA Film Festival team for the second year in a row. Joining these teams has been one of the best decisions I've made while at university in terms of advancing my career in ways that I hadn't even foreseen.

Malu, BSc Film and Television Production (Brazil)

Colleges

These small, distinct communities will become your home from home. Your college will provide you with a network of support, friendship, facilities, and a full calendar of events and activities to help you settle in.

Culture and entertainment

There are plenty of ways to appreciate culture on campus. Take in the theatre with a different show every week during term-time at our student-run Drama Barn. Catch a film at the student cinema. Watch, play or perform with our student societies dedicated to pantomime, opera and much more. Celebrate diversity at a range of events from York Pride to Global Week. Music-lovers can enjoy a rich programme of concerts by visiting international artists and our University ensembles. There are free open lectures and inspirational events to attend both on campus and in the city. For example, the University runs the York Festival of Ideas, which features more than 150 mostly free events to educate, entertain and inspire.

University of York Students' Union (YUSU)

Run for, with, and by students, YUSU coordinates sport and social societies, a variety of events on campus, provides welfare support and volunteering opportunities and campaigns on issues decided by students.

Our commitment to equality, diversity and inclusion

Being an international, research-led university relies on equality in participation, progression and success for all. We are committed to creating a working, learning, social and living environment that will enable all our students and staff to achieve their potential, while they experience and celebrate diverse cultures, knowledge and identities and are encouraged to make a positive contribution to the city, region and beyond.

The historic Heslington Hall on Campus West

Graduate Students' Association (GSA)

York is one of the few UK universities to have an independent students' union specifically for postgraduate students. The GSA provides a social community for postgraduates through a Postgraduate Welcome Week, regular events, trips and free sports sessions. You'll also have access to professional networking events, volunteering opportunities and an independent advice service.

Societies and sport

There are over 200 student-run societies and over 60 sports clubs for you to get involved in. You don't have to be an expert or pro to join - it's all about new experiences, making friends and having fun. York Sport Village and York Sport Centre also provide a choice of excellent sports facilities.

Food and drink

The campus is packed with places to eat and drink and we cater for a diverse range of dietary requirements. There are also three supermarkets, where you can pick up your groceries and essentials.

Getting around

Everything is within walking or cycling distance, or you can always use the fast and frequent bus service which runs between both parts of the campus and the city centre. York is one of the UK's most cycle-friendly cities, so many of our students choose to travel by bicycle.

YORK IN PICTURES

ACCOMMODATION

All our accommodation is located on or very near campus and is centred around our colleges. Each college has a welcoming, supportive community, so you will soon feel at home.

What are my room options?

Price bands

Prices reflect the age and size of the accommodation, as well as the number of people sharing kitchen and bathroom facilities.

Catered or self-catered

We offer self-catering and catered options. Both include access to a shared kitchen.

En-suite or shared bathroom

Our rooms either have an en-suite bathroom or they have a washbasin in the room with access to a shared bathroom.

Let lengths

For undergraduate students our rooms are available for 40-week and 44-week lets, which include Christmas and Easter vacations, or 50-week lets which also include most of the summer vacation. All our postgraduate rooms are available for 51 weeks, which includes the Christmas, Easter and summer vacations.

Additional requirements

We have rooms suitable for students with health or disability requirements. You should mention these requirements in your accommodation application.

Families and couples

If you are bringing your family or partner with you to the UK it may be possible to stay in accommodation on campus. As an international student, you will be given top priority in our allocation policy.

Costs

Single, self-catered rooms cost from £99 to £174 per week, with catered rooms available from £136 to £196 per week (prices are for 2019/20 and may change). Rent is usually paid in three instalments (one per term).

What is included?

- Bedroom, shared kitchen and shared bathroom or en-suite
- Wifi and 100Mbps wired internet access with no download limit in every bedroom
- Shared kitchens are cleaned once a week and shared bathrooms are cleaned on weekdays
- Electricity, heating, water, and contents insurance
- 24-hour campus security presence.

Guaranteed accommodation

As an international student, you are guaranteed an offer of accommodation if you meet our criteria and apply by our deadline. The accommodation is owned, managed or approved by the University and is available for every year of your course.

Living off campus

There is a wide selection of private sector accommodation within walking distance of the University. Rents vary and usually do not include bills for water, electricity, heating or internet access.

Colleges

You will be a member of one of our nine colleges throughout your time here. Your college will provide you with a network of support and a calendar of events and activities to help you settle in, make friends and explore interests. Find out more at york.ac.uk/college-life.

SUPPORT AND WELLBEING

Our support network is here if you need it and we offer dedicated services for international students.

The University's career support is very helpful. I have used the Careers Service ever since arriving at York. They have been at the forefront of helping us through our university journey to achieve our dream career paths from day one. I personally believe that York's Careers Service is easy to access and provides you with opportunities for personal growth and professional experience.

Muhammed, BA
Philosophy, Politics and
Economics (Pakistan)

International student support

We will help you settle in through a range of orientation events and support including a Manchester Airport collection service, a Welcome Week in the Autumn Term, and immigration advice. You can also get to know others through the student-run International Students' Association.

College team

Each college has a wellbeing team of staff and students. They will welcome and support you and help you make the most of college and university life.

Academic supervisor

An academic supervisor will support you through your studies. You will meet regularly and they will advise you on your academic progress and personal development.

Students with children

Our family network will help you meet and socialise with other parents. You will find information on local schools and childcare options, including the York Campus Nursery, on our web pages.

Open Door and Disability

Open Door is a team of mental health professionals providing support to students. Our Disability Advisers offer support, advice and guidance to students with a diagnosed disability.

Independent advice

Students' Unions

If you need guidance relating to your course or personal matters you can talk to staff in the Students' Union Advice and Support Centre (ASC) and the Graduate Students' Association's Advice Service.

Nightline

Nightline is run by trained student volunteers and provides a confidential listening and information service for students from 8pm to 8am.

Chaplaincy

The Christian chaplains at the University are available to people of all faiths and none. There is also a network of contacts from other world faiths and dedicated spaces for prayer and reflection on campus.

Health services

The health centre closest to campus, Unity Health, offers doctors' appointments, a repeat prescription service and walk-in clinics.

Careers support

Our Careers and Placements team offers a range of opportunities to enhance your career prospects, including:

- our unique York Strengths programme to help you identify what you're good at and enjoy most (for first year undergraduates, postgraduate taught students and visiting students)
- networking at regular careers fairs and events (on campus or online) and the chance to explore job opportunities
- volunteering to broaden your leadership and organisational skills
- advice on part-time work and internships that fit in with your visa requirements
- an invitation to join the York Alumni Association once you leave York, giving you lifelong access to careers support and networking opportunities
- support to understand your options for working in the UK or preparing to find work back home.

PREPARATION AND ARRIVAL

Once you have accepted your place there are a few things you need to know before you arrive.

Before you leave home

Visa information

If you have accepted your offer and require a Tier 4 visa, you can request your Confirmation of Acceptance for Studies (CAS) online via You@York. Once the CAS is issued, you can apply for your visa. Our Immigration Advice Service offers help and support with your visa application.

Healthcare

You will need to pay an immigration health surcharge if you require

a Tier 4 visa. This entitles you to receive free health services from the National Health Service (NHS). On arrival at York you can register with a doctor/ general practitioner (GP) at Unity Health, next to the campus. If you require medical treatment in the UK, a full up-to-date vaccination record (in English, if possible) will help you get the best care possible. There are additional charges for dental treatments available on the NHS.

Arriving at York

Airports

We recommend that you arrive at Manchester Airport if possible. We offer a free Manchester Airport collection service, where you will be welcomed by University staff and students. You can book your place online after completing enrolment. Alternatively, you can get a train from the airport which takes one and a half hours. Other nearby airports are Leeds-Bradford and Newcastle International.

The first week

During the first week of Autumn Term, the University of York Students' Union (YUSU) and colleges organise activities and events to help new undergraduates settle in. The week before Autumn Term starts there is a Postgraduate Welcome Week organised by the Graduate Students' Association (GSA). There are also different events specifically for international students. You'll get to know your new surroundings and meet new people.

Term dates

Our academic year is split into three terms: Autumn (September to December), Spring (January to March) and Summer (undergraduate: April to June, postgraduate: April to September) with vacations at Christmas, Easter and in the summer. For a full list of term dates visit york.ac.uk/termdates.

Detailed pre-arrival information, including guidance about visa applications, banking, healthcare, airport pick-up and more can be found at york.ac.uk/international-new.

STUDENT VIEW TRAVELLING TO THE UK

International student Gracia shares her top tips for travelling to the UK.

Itinerary: Book and arrange your travel itinerary in advance.

Paperwork: Prepare and manage your visa along with other additional requirements (for example, health certificate and vaccination certificates).

Packing: You do not have to bring a lot of daily essentials like toothpaste or soap. The weather and climate in your home country and in the UK might be different.

Accommodation: Make sure you have already secured your accommodation in York.

STUDY AT YORK

Why study in the UK?

- A UK degree is recognised worldwide by employers and government agencies.
- Live and study in a multicultural environment: the UK is home to over 400,000 international higher education students each year (Higher Education Statistics Agency (HESA) 2017/18).
- The UK ranks as the top study destination in the world for overall student support and satisfaction (The UK's Competitive Advantage 2017, Universities UK International).

For more information about the benefits of studying in the UK visit york.ac.uk/study-in-uk.

TYPES OF COURSE

Undergraduate degrees

An undergraduate degree (known as a Bachelors) typically lasts three years. There are also some four-year and five-year degrees which might include a work placement, a year abroad or a Masters year (known as an Integrated Masters) with more advanced study. Many courses specialise in a single subject and we offer some joint or combined honours degrees. Qualifications include:

- Bachelor of Science (BSc)
- Bachelor of Arts (BA)
- Bachelor of Engineering (BEng)
- Integrated Masters (for example MBiol, MChem, MEng, MMath, MPhys and MSci)
- Law (LLB)

Postgraduate taught

A Masters or other specialist postgraduate taught degree will help you develop and build upon the skills and knowledge learned at undergraduate level. They typically last one year. Qualifications include:

- Master of Science (MSc)
- Master of Arts (MA)
- Master of Engineering (MEng)
- Master of Law (LLM)
- Master of Public Administration (MPA)
- Master of Public Health (MPH)
- Master of Research (MRes)
- MA/MSc by Research
- Postgraduate Certificates and Diplomas (PGCert and PGDip)

A range of online and distance learning postgraduate courses are also available.

JB Morrell Library

Postgraduate research

Research degrees are the highest degree awarded by UK universities. They allow you to take an in-depth study of a particular topic.

Qualifications and typical duration:

- Doctor of Philosophy (PhD) – three years
- Master of Philosophy (MPhil) – two years
- Master of Arts (MA) by research – one year
- Master of Science (MSc) by research – one year.

We offer some four-year PhDs and a small number of online and distance learning PhDs.

INTERNATIONAL PATHWAY COURSES

Our specially designed courses will help you prepare for degree-level study at York. Study at our International Pathway College on campus and benefit from outstanding teaching by University staff. If you complete the course to the required level, you will be guaranteed a place on your chosen degree.

Undergraduate pathway courses

The Foundation Certificate programme is available in the following subject areas:

- Business and Finance
- Humanities, Creative Arts and Media
- Law and Social Sciences
- Life Science, Biomedicine and Environment
- Mathematics, Economics and Actuarial Science
- Physics, Mathematics, Computing and Electronic Engineering.

Postgraduate pathway courses

The Pre-Masters courses are available in the following subject areas:

- Business with Law
- Education, Media and Social Sciences
- Management and Quantitative Skills
- Science, Technology, Engineering and Mathematics.

For more information visit york.ac.uk/ipc.

PRE-SESSIONAL ENGLISH COURSES

These courses are for international students who need to meet a language condition for entry to a degree-level course. There are three length options: 10 weeks, 15 weeks and 20 weeks. The course you need to take depends on your current English language test scores and the English language requirements for the degree you wish to study.

If you have an unconditional offer but still want to practise your English skills, you could take our **five-week course**.

If you are applying for a pre-sessional English language course and require a Tier 4 visa, you must take a UK government-approved Secure English Language Test.

After you have accepted your offer to study at York, we will confirm which pre-sessional course you should apply to online via You@York.

For further information visit york.ac.uk/presessionals.

Teaching and assessment

Our world-leading academics design our courses to inspire and support you to graduation and beyond. We hold a Gold Teaching Excellence Framework award, which recognises our outstanding teaching, learning and outcomes for our students.

Academic support

You will get the guidance you need from your tutors and academic supervisor and through assessment and feedback, such as coursework, projects, group work and exams.

Flexible options

Many courses allow you to pursue areas of interest by choosing from optional modules within your degree, or in some cases, from another subject.

Assessment methods

Assessment methods vary by subject area and module. A combination of examinations, practical work, essays, dissertations, project work and oral assessment may be used.

Tailored teaching styles

You may attend small group tutorials, as well as larger group seminars and lectures, depending on your course. Many modules feature online resources and self-directed learning methods to use out of the classroom.

FEES AND FUNDING

Discover your funding options to help with tuition fees and living costs.

Before you apply to a course, read our detailed guidance on fees, funding and living costs at york.ac.uk/international-money.

Tuition fees

International tuition fees depend on the type of course and whether the course is classroom or lab-based. For 2020 entry to York, international tuition fees range from £17,890 to £24,620 per year (excluding Medicine). Our tuition fees for 2021 entry will be on our website in September 2020.

Masters fee discount

Once you have successfully completed a York undergraduate degree, you could be eligible for a ten per cent tuition fee discount on a Masters degree at York.

Funding support

We offer a range of scholarships for international students. This includes country-specific funding and scholarships based on academic merit. Some academic departments also offer scholarships for international students.

Find out about external funding through organisations such as the British Council or the Chevening Secretariat in the UK.

Living costs

For 2020 entry to York, we estimate you will need a budget of between £7,530 and £14,010 per year, depending on your type of accommodation and lifestyle. See our living costs web pages for more information.

Work while you study

You could take on a part-time job, like becoming an International Student Ambassador, to help cover costs, develop skills and strengthen your CV. If you are on a full-time Tier 4 study visa you can work up to 20 hours per week in term-time.

APPLYING: UNDERGRADUATE

Here is your quick guide to applying. You should also read our detailed guidance at york.ac.uk/ug-apply.

1 Check the entry requirements

Find requirements for your country at york.ac.uk/yourcountry. See the course web page for the entry requirements.

2 Explore funding options

Various funding options are available to help with tuition fees and living costs. Be sure to check the funding application deadlines.

3 Complete your application

Prepare your personal statement and apply online at ucas.com.

4 Track your application

You can track your application online via UCAS Track. There are two types of offer you might receive from us:

- conditional – you still need to meet some or all of the conditions of your offer
- unconditional – you have secured your place.

5 Read the terms and conditions

If your application is successful, you will be notified of your offer via email. Your offer letter will be available online at You@York. If you have been awarded funding, ensure you have read the terms and conditions in your award letter too.

6 **Submit documents**
You may need to submit the necessary documents to meet any conditions of your offer.

7 **Apply for accommodation**

IMPORTANT INFORMATION

Applying for a research degree

If you are applying to a research degree you should visit department web pages and contact potential supervisors to discuss research areas before you apply. This will help to ensure a proper match between you and your prospective supervisor.

You will also need to prepare a research proposal with your application. It must outline the topic of your proposed research and the questions it addresses.

What supporting documents do I need?

You will need to supply us with:

- an academic reference (one for taught courses and two for research degrees)
- an academic transcript
- evidence of your English language ability (if you are a non-native English speaking applicant)
- CV (optional)
- evidence of financial support (if applicable).

Some courses also require a sample of your written work to further demonstrate your suitability. Find out more at york.ac.uk/pg-written-work-requirements.

Language requirements

If you need to meet a language condition, you may be able to take a pre-sessional language course for entry to your chosen degree. For more information see york.ac.uk/pg-apply.

Pre-Masters pathways

If you do not meet the entry requirements, some of our Masters courses offer you the opportunity to prepare for entry via an international Pre-Masters course. For more information see york.ac.uk/ipc.
