welcome

Cardiff University has been producing successful graduates since 1883, combining a prestigious heritage with modern and innovative facilities.

The University has changed dramatically over the last 136 years, but the commitment to quality education and a rewarding university experience remains.

#WeAreInternational

Cardiff University is truly international. With over 7,900 international students from more than 130 countries stepping through our doors each year, our student population is diverse and multicultural. We attract the best academic staff from across the globe who help to deliver a rich and engaging study environment.

The University reaches far beyond its home in Wales, with hundreds of overseas partnerships and research projects around the world, contributing to our ever-growing global community.

Matthew Waskiewicz, Massachusetts, USA

MSc Urban and Regional
Development, 2017

"I immediately fell in love with both the city and the University for its vibrant culture, rich history and bountiful green spaces. I can sample food and hear languages from dozens of cultures from around the globe."

Carlos Jimenez Santillan, Mexico

MSc Operational Research and Applied
Statistics, 2018

"Cardiff is such an amazing city to live in... This is what I called a true student city... Coming to Cardiff is one of the best experiences of my life."

Dr Tiago Alves, Portugal

Senior Lecturer in Earth Sciences and
Head of the 3D Seismic Laboratory

"One of the things that is most surprising is how closely-knit students and staff are at Cardiff. We actually grow together with the students as they finish their BScs and many of the students end up staying at Cardiff and continue their career as MSc or PhD students."

Juliet Bawuah, Ghana

MA International Public Relations
and Global Communications
Management, 2018

"Living in Cardiff has opened my eyes to a whole new perspective about life... I like the variety Cardiff offers in terms of what you can get with its beautiful sights and sounds."

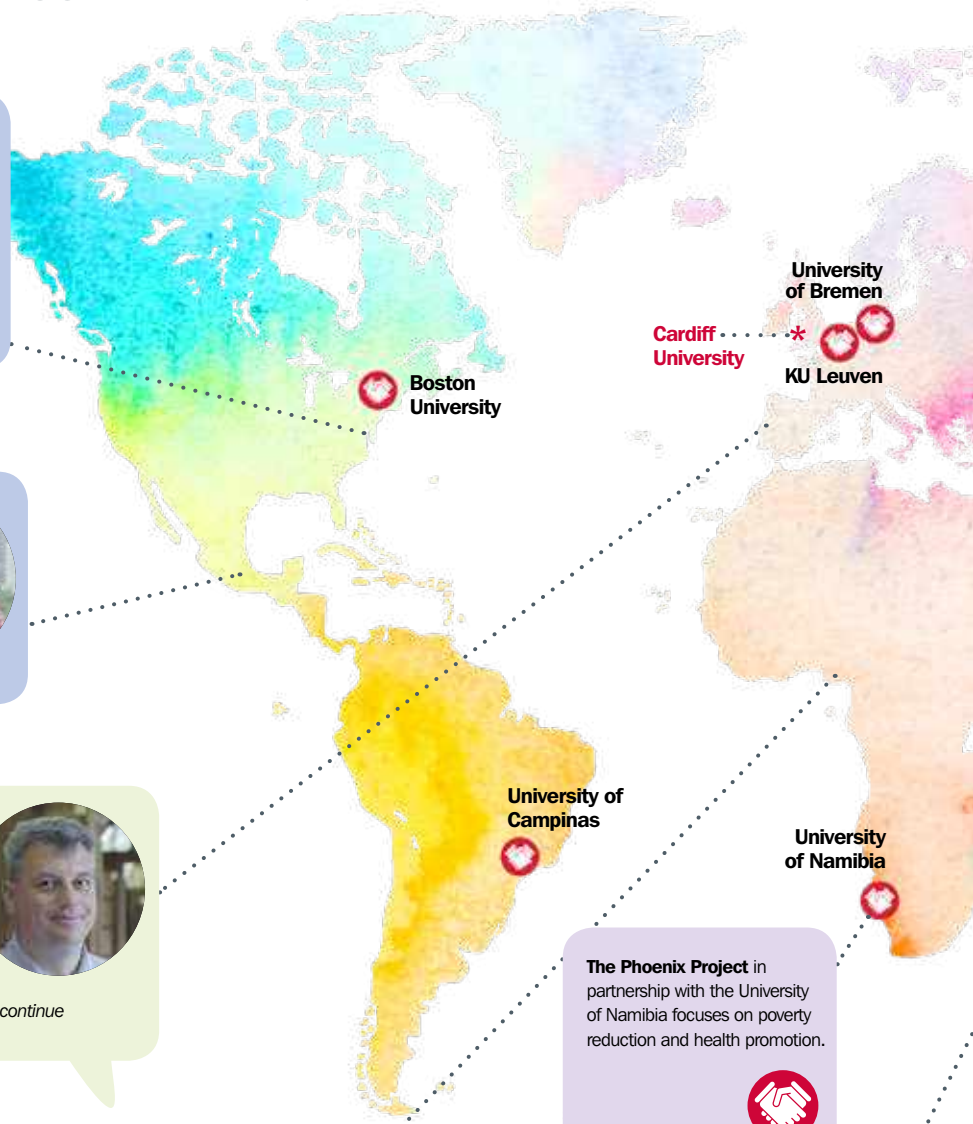

Satwik Shivohan, India

BA Journalism, Communications and
Politics, 2018

"I chose Cardiff because it offers everything a student could possibly ask for - whether it's an exemplary degree programme, generous staff support or an opportunity to pursue your other interests, Cardiff has it all! This place makes you feel like home even before you realise it."

The Phoenix Project in partnership with the University of Namibia focuses on poverty reduction and health promotion.

Elif Istanbuluoglu, Turkey
MSc Sustainable Mega-Buildings, 2018

"Cardiff offers what a capital city should offer, but it is also a peaceful city that does not overwhelm people. Compared to more crowded cities in Europe and the UK, Cardiff is cheaper and therefore the standard of living is higher."

Abdul Rahman Deeb, Lebanon

Master of Business Administration (MBA), 2017

"The best thing about living in Cardiff was the perfect combination of study/life balance. Cardiff has a quiet environment, yet everything is available at its city centre, which is buzzing on weekends and within walking distance of student accommodation!"

Xinying Wang, China

BSc Computer Science, 2016

"I love the people here! They are friendly and kind. If you are taking a map and looking around on the street, there is always someone who will ask if you need any help. I love the view here! There are few high-rise buildings, so you can always get a sweeping view of the beautiful scenery."

Thu Thao Nguyen, Vietnam

MSc Social Science Research Methods, 2018

"People are super friendly, and the city is affordable for students... There are also plenty of coffee shops and restaurants that you can hang out with your friends."

Jessy Lee, Malaysia

MSc MPharm Pharmacy, 2017

"I have really enjoyed my student life here. There are always fun things to do and discover ranging from Cardiff Bay to the Brecon Beacons. Cardiff is an amazing city to study in. Coupled with friendly people from diverse backgrounds, it has everything to offer to make the most out of your student life here."

Researchers at the **Danau Girang Field Centre** work in partnership with Cardiff University to preserve biodiversity and conserve endangered species in Borneo.

Dr M Sankar, India

Catalysis Institute Research Fellow
"Cardiff University I would say is a fantastic place to work and most importantly, a fantastic place to live as well. It is such a beautiful place. Within 20 minutes you can go to the most exciting part of the UK, with very beautiful beaches. It's a beautiful place to live."

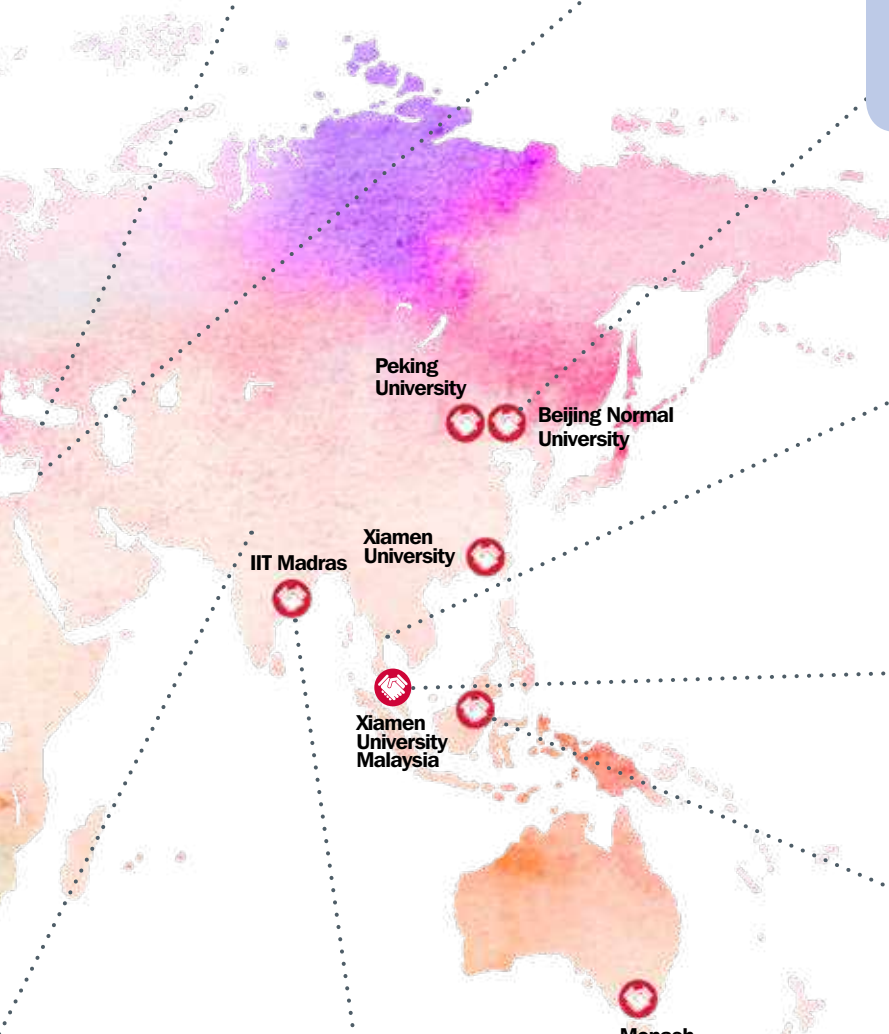

International partnerships

Cardiff University is proud of its links and partnerships across the globe, particularly our strategic partnerships with KU Leuven, Xiamen University, University of Campinas (UNICAMP) and Beijing Normal University (BNU) which support joint research collaboration and offer mobility opportunities for students and staff. We also have a strategic alliance with the University of Bremen which fosters joint research programmes and

teaching initiatives, and a capacity building partnership with the University of Namibia to address the UN Sustainable Development Goals.

Our extended international network currently spans over 200 partners, including:

- Peking University
 - Boston University
 - IIT Madras
 - Capital Medical University
 - Monash University
- and many more.

Cardiff University is ambitious and innovative, with many of our Academic Schools among the best in the UK. We are driven by creativity and curiosity, and we encourage our students to fulfill their potential.

10 key facts

1. Cardiff is a world top 150 university*.

.....
2. The University is home to a community of over 31,500 students from more than 130 countries.

.....
3. We are a member of the elite Russell Group, which is made up of the top 24 research-led universities.

.....
4. We generate more than £100 million annually from research grants and contracts.

.....
5. The University has 16 libraries and a range of IT suites, offering 24/7 study facilities.

6. We are ranked 5th in the UK for research excellence**.

.....
7. Cardiff University has over 173,000 alumni across the globe.

.....
8. The campus is frequently used as the film set for BBC hit TV shows "Dr Who" and "Sherlock".

.....
9. Accommodation in University residences is guaranteed for all international students and is within walking distance of the University.

.....
10. The Cathays Park campus is situated in the very centre of Cardiff, the capital city of Wales. Cardiff is only 2 hours from London by train.

Subject rankings

You can view the scores for subject areas in the Course List (pages 19-39).

The Top 5 and Top 10 lists show subject areas at Cardiff University ranked by independent sources.

studying at Cardiff University

Choosing to study at Cardiff University will allow you to join a global academic community of staff and students. Our mission is to undertake world-leading research with impact and pass this knowledge onto our students to make a social, cultural and economic difference.

How will studying at Cardiff be different?

Studying at Cardiff University may be different from the style of teaching in your country. Cardiff University is an innovator in 'problem-based' learning. This means your lecturers will set you a 'problem' and you will have to work out the answer. This is a much more effective method of learning than just from a book.

You will be:

- expected to use the libraries and internet to research topics
- asked to contribute your opinion, collate information and present evidence
- encouraged to share your own ideas
- educated through a variety of teaching and assessment methods.

Teaching methods

You will be taught in formal lectures, in small groups (called 'seminars') and one-to-one with the tutors. Depending on your subject you may use laboratories, meet members of the public, operate specialist equipment and go on field trips. You will also have access to Cardiff's virtual learning environment to enhance and support your learning. It allows you to download lecture materials, communicate with your tutors and submit assignments online.

Assessment methods

Assessment methods are different for each course. Most courses include some form of written examination and essays, but you may also be assessed on presentations, class tests, laboratory results and group work.

Personal Tutors

You will be allocated a Personal Tutor at the beginning of your programme. Your Personal Tutor will be able to provide you with advice, whilst maintaining an overview of your learning and educational experiences.

If you are experiencing difficulties, your Personal Tutor will be there to listen and provide professional guidance and support.

Independently verified and reviewed

You can be confident of the quality and standard of a Cardiff degree. The University is recognised by more than 40 professional bodies which ensure that the University maintains its high standards of teaching. In 2017 the Teaching Excellence Framework (TEF) panel awarded Cardiff University a silver award. This means that the University consistently delivers high quality teaching, learning and outcomes for its students, and it consistently exceeds rigorous national quality requirements for UK higher education.

Why is research important?

Research-led universities are regarded as the best in the world. Cardiff University is a member of the Russell Group, which represents the top 24 research-led universities in the UK.

The Russell Group:

- is committed to maintaining the very best research
- strives to create outstanding teaching and learning environments
- offers unrivalled links with business and the public sector.

Studying in a research-led, Russell Group institution like Cardiff University has many advantages:

- 1 Degrees recognised worldwide
- 2 Innovative courses based on the latest discoveries and research
- 3 Teaching by globally respected staff who are pioneers in their subjects
- 4 Enhanced career prospects as employers often favour well-informed graduates from research-led universities
- 5 Excellent teaching facilities funded by research grants and contracts
- 6 Joining a worldwide network of alumni holding top positions in governments, the private sector and academia.

Research Projects

Our researchers collaborate with partners worldwide to tackle critical global issues, from poverty reduction and health promotion in Africa to biodiversity and conservation in Borneo.

Phoenix Project – Through our partnership with the University of Namibia, we have launched the Phoenix Project, focusing on poverty reduction, health promotion and supporting a sustainable environment. Over the past 4 years, we have educated doctors and nurses, created a vibrant software sector, enshrined a value for culture and language among young people, and enabled the police and ambulance service to save lives. The next 5 years will encourage and develop leadership skills of nurses, produce library and information services, support sustainable access to water and more.

www.cardiff.ac.uk/phoenix-project

Danau Girang Field Centre – A team of Cardiff University researchers are currently working to preserve biodiversity and conserve endangered species in Borneo, focussing on two species – orangutans and elephants. The Danau Girang Field Centre has been recently recognised by the Malaysian State Government of Sabah for its contribution to the conservation effort of its most valued areas of natural beauty.

career prospects

Many students come to the UK to improve their job prospects. The skills you'll develop during your studies, alongside any extracurricular activities, will offer you options whatever your chosen career. A degree is an investment for life and you will want to invest wisely.

What is the value of a Cardiff University education?

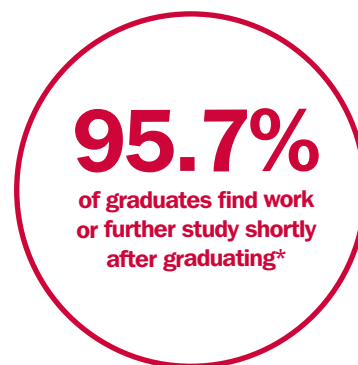

'Employability' is not just about getting a degree from a UK university. In an increasingly competitive global market, employers are looking for a wide range of skills and attribute.

The Cardiff curriculum incorporates cutting-edge research, enabling you to develop:

- knowledge, but also trains you to think independently
- the ability to analyse problems
- the ability to consider innovative solutions
- the ability to work effectively in a team.

These are valuable skills in the workplace that you will need to demonstrate to potential employers. The Cardiff Careers and Employability team can help you to develop the ability to articulate your skills and experience to prospective employers.

1

choose a top university with a worldwide reputation

Cardiff University is highly-ranked and recognised both in the UK and across the world for its teaching excellence and innovative research.

2

make the most of your studies

It may seem obvious but applying yourself and making the most of opportunities within your School will give you the edge over other candidates. On many degree schemes you can also widen your experience by studying part of your degree at a University in another country. Cardiff University has partners in the USA, Australia, South America, Europe and across Asia.

3

summer work, volunteer or study placements

As well as spending time abroad as part of your degree, our Global Opportunities Team provides opportunities for students to work, volunteer and study during the summer months. These placements usually range from 4-6 weeks and are offered world-wide.

4

join free training programmes

In a competitive workplace it is important that you can be creative and apply your knowledge effectively. The Skills Development Service (SDS) provides a range of free courses aimed at building your confidence, improving your transferable skills and increasing your employability potential.

www.cardiffstudents.com

5

get advice and meet employers

The University has a free Careers & Employability service with specialist international support. They offer advice and guidance on choosing a career, interview techniques, job seeking and improving your résumé. They also provide dedicated careers events for international students throughout the academic year and regular opportunities to meet potential employers recruiting on campus.

www.cardiff.ac.uk/careers

6

enhance your résumé

Employers don't want robots; they want interesting people who are driven and able to work in teams. At Cardiff for example, you could get involved with running a club or society, or join Cardiff Volunteering. The Careers and Employability team can help with writing an effective résumé.

7

gain work experience

Work experience is a great way to show that you can apply the skills gained from your degree. You can get work experience through a part-time job or by opting for a Cardiff University degree that includes a year in industry. The Schools section (from page 19) lists courses which have year in industry options. The Futures Connect team in Careers & Employability also offers a range of opportunities from highly competitive internship placements to shorter work experience insights.

8

network and build lifelong friendships

The Cardiff Alumni Network consists of more than 173,000 graduates and supporters across the globe. Professors and other staff will offer advice and direction while other students, both from your country and other countries, can provide valuable insights.

9

join the Cardiff Award

Develop your employability skills and gain recognition for work experience and extra-curricular activities with the Cardiff Award. The Award will appear on your Higher Education Achievement Record for employers to see and you will receive a LinkedIn certificate.

10

develop your English language skills

Employers in the UK and overseas are looking to recruit international students with excellent English language skills. The Languages for All service provide language classes, and getting involved with local and campus culture will help with your language skills.

How to improve your career prospects

Everybody wants to stand out from hundreds of other graduates. Above are some recommendations for getting that competitive edge, available to you at Cardiff University.

Cardiff

the capital city of Wales

Located on the coast of South Wales, Cardiff is just 30 minutes away from beautiful beaches and mountainous national parks, while being only a 2-hour train journey from London. Cardiff is regularly ranked as one of the UK's best cities for students, with its affordable living costs, excellent transport links and our campus at its heart.

Find out more about the city of Cardiff at: www.visitcardiff.com

Key

- ① Cardiff University

- ③ Cardiff Castle
- ④ Principality Stadium
- ⑤ Shopping centre
- ⑥ Student neighbourhood

5 facts about Wales

Beyond Cardiff you can explore the natural beauty of National Parks like the mountainous Brecon Beacons and the rugged coastlines of Pembrokeshire.

Home to Europe's oldest living language, Welsh is spoken by 20% of the population, but don't worry as everybody speaks English!

Traditional Welsh foods like Welsh cakes, Bara Brith and Cawl can still be found today, even in the modern city of Cardiff!

Wales has a rich history and is sometimes called the 'castle capital of the world'. You will find more than 600 castles in Wales, including the 2,000-year-old Cardiff Castle.

The red dragon is the national symbol of Wales, with legends telling the story of how the red dragon defeated an invading white dragon in a fierce battle.

Cardiff is a thriving and attractive capital city, widely recognised as an outstanding place to live. ”

The Complete University Guide 2019

Weather in Cardiff

The average temperature in Cardiff in winter is 7°C and in summer temperatures can reach up to 30°C. With four seasons, UK weather is generally unpredictable and can vary considerably, however, Cardiff experiences less rainfall than other areas of Wales and is consistent with the rest of the UK.

Travel time by train

City	Time
London:	2 hours
Manchester:	3.5 hours
Birmingham:	2 hours

10 facts about Cardiff

#CardiffIs...

- Green** – Over 330 parks and gardens make Cardiff one of the greenest cities in the UK, with the 130 acre Bute Park located right next to our campus.
- Affordable** – Ranked as the UK's second most affordable university city (NatWest Student Living Index 2018), Cardiff still offers everything you would expect from a modern capital city.
- Safe** – The city centre is our campus and your home. South Wales is one of the safest regions in the UK and Cardiff has been named the 8th best city in the UK to work in and live. (Independent, 2018).
- Cultural** – Cardiff has a buzzing arts and events scene, being home to the Welsh National Opera, Roald Dahl, the Wales Millennium Centre and the innovative Chapter Arts Centre.
The iconic Principality Stadium hosts international sport and music events from the UEFA Champions League Final to concerts by global stars such as Ed Sheeran and Coldplay. Our city and campus are even used as a film set for popular BBC TV shows like Sherlock and Doctor Who!
- Students** – Cardiff is a small city with a population of around 350,000 people. Approximately 20% of the population are students, which makes it safe and friendly.
- Shopping** – The city has recently been named the 6th best for shopping in the UK, with beautiful Edwardian and Victorian arcades and modern shopping centres with designer brands and unique independent shops.
- Foodie** – Cardiff's ever growing food scene features international cuisines from Thailand to Mexico and beyond. International supermarkets also make it easy for you to find the ingredients you use at home!
- Connected** – With excellent transport links to the rest of the UK and an international airport on our doorstep, Europe and beyond is just a short journey away.
- Sporty** – Our capital is home to world class sport including Cardiff City Football Club, international Welsh rugby, the Cardiff Devils ice hockey team and the Cardiff University Cardiff Half Marathon. We're proud to have international sporting venues like the Principality Stadium, Cardiff City Stadium, the International Sports Village and more.
- Diverse** – Cardiff was one of the UK's first multi-cultural cities and an estimated 94 languages are spoken here. There are many religious and cultural facilities across the city, including mosques, synagogues, churches and temples.

“ Living in University Residences has been an amazing experience. It helped me find a home away from home and settle into PhD life in Cardiff. I wouldn't pick anywhere else!! ”

Violina - Aberdare Hall

accommodation

Safe and supportive

One of the advantages of University residences is the support you are offered. Each residence has a network of residences staff, Residence Life Assistants and security staff that provide 24 hour assistance.

Guaranteed

Accommodation is guaranteed for all full degree international students for the duration of your studies.

You will have your own study bedroom. Cardiff University does not have shared rooms or dormitories.

How much does it cost?

The cost of residences depends on several factors which include the residence you choose, length of stay, meal options and whether you want private bathroom facilities. University residences are very good value as the cost includes water, electricity, security, furniture and internet access. As everything is included in one price, it helps you budget more easily. To help with budgeting there is more detail about living expenses on page 46.

For the 2019/20 year self-catered residences range from £111-£156 a week. Part/fully catered residences range from £126-£152 a week. Rooms with private bathrooms are generally more expensive than rooms with shared bathrooms.

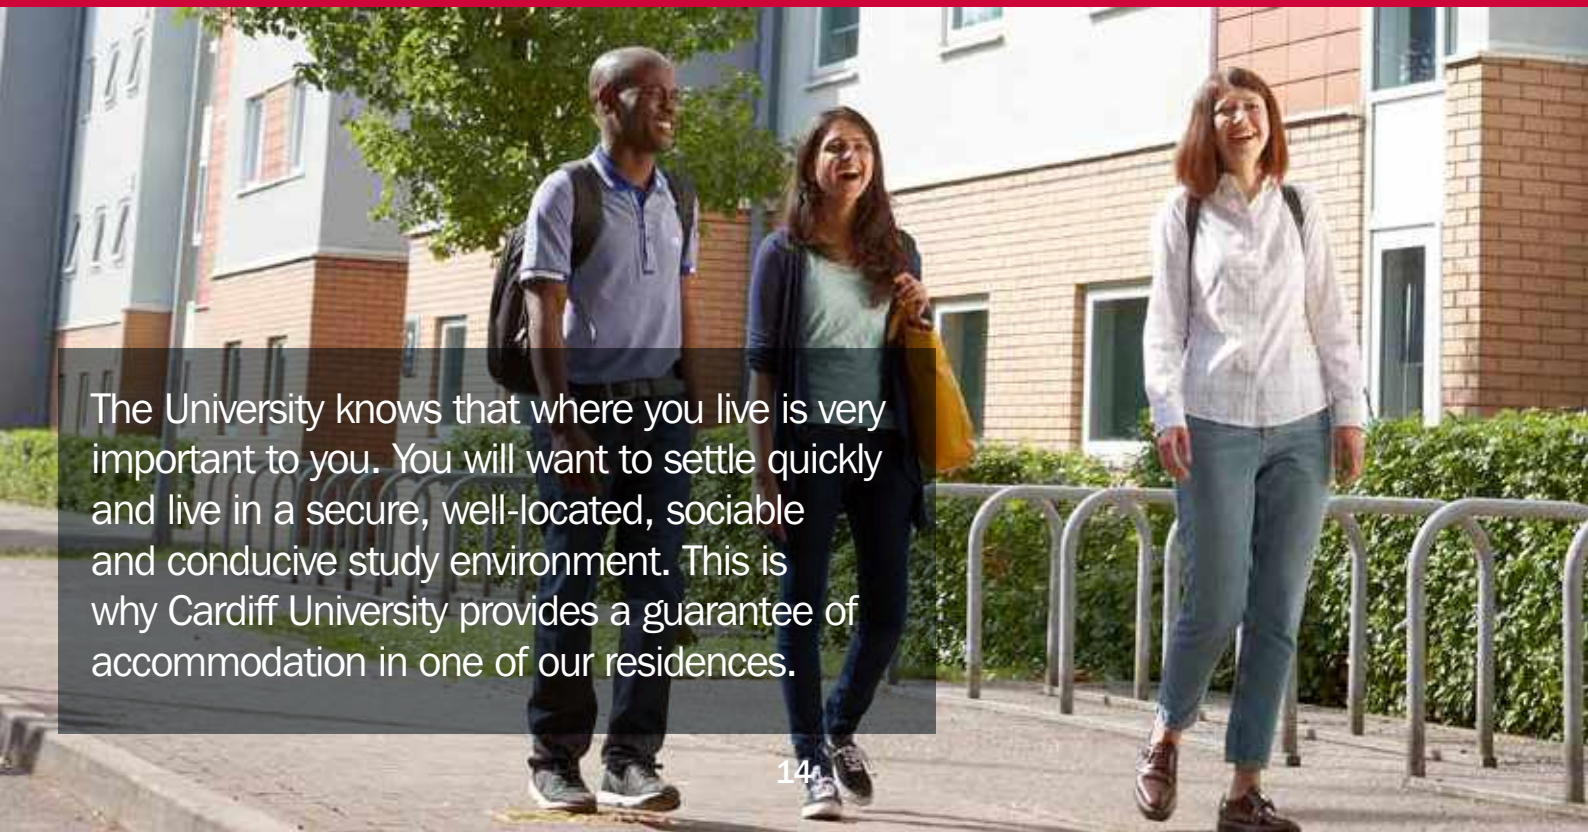

University residences

The University has 17 residences, each with different facilities, in different locations and at different costs.

Your choices include:

- single or mixed-gender accommodation
- private or shared bathrooms. About 70% of University residences have private bathrooms (called 'ensuite')
- self-catered, part-catered, fully-catered*
- a variety of social and sporting facilities
- quiet living options.

**Fully-catered option is only offered at Aberdare Hall, a female-only residence.*

The University knows that where you live is very important to you. You will want to settle quickly and live in a secure, well-located, sociable and conducive study environment. This is why Cardiff University provides a guarantee of accommodation in one of our residences.

Close to campus

Cardiff University residences are very well located, with most residences being less than 2km to either the Cathays Park campus or Heath Park campus. The majority of students are able to easily walk or cycle to their lectures every day. The table below gives the approximate walking times from three residences to four popular locations in Cardiff.

Look at the map on page 47 to see where residences are located. You will also find that like the University, residences are within easy reach of shops, the city centre and parks.

Walking Times

	Liberty House	Senghennydd Court	Talybont Court
Business School	25 minutes	15 minutes	10 minutes
Heath Park Campus	5 minutes	40 minutes	20 minutes
City Centre	30 minutes	5 minutes	20 minutes
Main Building & Students Union	25 minutes	10 minutes	15 minutes

Your guarantee of accommodation

You are guaranteed a single-occupancy place in University residences for the full duration of your studies. This is provided you apply through the normal admission and allocation process, and re-apply for residences each year through the overseas returners process.

How do I reserve residences?

After you apply, and if you accept an offer to study, you will be sent full information on how to apply for University residences.

Coming to Cardiff with your family

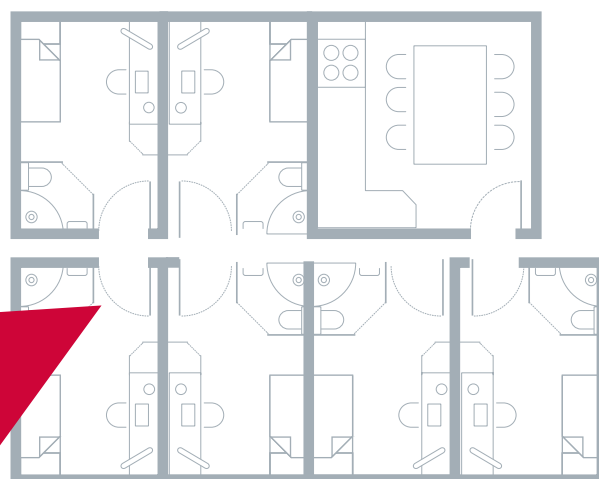

The University has a limited number of flats, houses and studios available for first-year international students with family members. These residences are very much in demand and you may have to seek private accommodation. If you do choose private accommodation ensure you start looking as soon as possible and ask for assistance from the University.

What do University residences provide?

The diagram opposite shows a layout of a typical ensuite flat in University residences. Please note that this is an example and the number and size of rooms in each flat varies.

In this example there are 6 study bedrooms, each with their own bathroom. The 6 occupants share a kitchen. Every student has their own bedroom. Each room has a bed, desk, chair, wardrobe and storage. You won't need to buy additional furniture. If you choose 'ensuite' you will have your own bathroom with shower.

All bedrooms are connected to the University high-speed Wi-Fi network. In your flat you will have access to a shared kitchen/dining room. This area includes a cooker, refrigerator, sink, table and chairs.

An example of a typical flat in University residences.

university life

The Students' Union

- the centre of social life for university students
- all students enrolled at Cardiff University are automatically members
- run by a student committee dedicated to the social and welfare needs of all students on campus
- a not-for-profit organisation, where all profits go back into improving the services available to you
- a multi-million pound investment is transforming the Students' Union into the Centre for Student Life, in the biggest campus upgrade of a generation!
- includes a bar, nightclub, concert venue, shops, cafes, post office, letting agency and advice centre
- the Union has its own student newspaper, magazine, radio station and TV channel.

www.cardiffstudents.com

The Lounge

Built with international students in mind, this modern venue is open to all, free of charge. It boasts state of the art multimedia stations with Skype access, versatile work spaces, modern meeting rooms and touch screen tables.

International societies

The best way to make friends is to join a student society. These clubs are very important to student life and are run by other students. There are more than 200 societies, many of which represent areas of the world including: Africa, Canada, China, Hong Kong, India, Indonesia, Latin America, Malaysia, Oman, Pakistan, Nigeria and more.

For two weeks every year the international societies celebrate 'Go Global' – a festival that showcases the University's diversity involving dance, music and food.

Sport & keeping fit

The University takes sport very seriously and encourages participation at all levels. The Athletic Union runs more than 60 sports clubs and arranges fixtures against other universities.

World class facilities are located across four sites and include a Sports Training Village with a multi-purpose indoor sports hall and physiotherapy clinic, a Fitness and Conditioning Centre, dance studio and 33 acres of first-class grass pitches including a full-size floodlit 3G FIFA/IRB approved match pitch.

Supporting you

From academic questions to personal issues, Cardiff University offers students support in many ways:

- every student at the University is allocated a personal tutor who can assist with any academic or personal problems
- the Student Support Centre has specialist international advisers who can help you with visas, housing, finances and anything else that you would like to talk about
- if you want to talk to someone outside the University, the Students' Union also has an advice centre
- Cardiff University is one of only a few UK universities to provide postgraduate students with dedicated social, training and academic facilities at the University's Postgraduate Study Zone
- if you are not sure where to turn or who to talk to, you can always visit the International Office for advice.

Orientation

There's no need to worry about settling in, making friends or life in the UK. Our aim is to make your transition to Cardiff as smooth as possible with an 'induction and orientation programme' in September and January.

The September induction programme includes:

- a free collection service from Cardiff and Heathrow airports, providing a warm welcome and taking you and your luggage to your accommodation
- a free 'meet and greet' service at Bristol Airport
- practical information and fairs to help you settle quickly into living and studying in Cardiff
- tours of the University and the city of Cardiff to help you find your way around
- social events and parties which are a great way to make friends
- a bank letter service to help you open a bank account when you arrive in the UK.

31,500
students

the future

Centre for Student Life

As part of the £600 million campus upgrade, £50 million is being invested in improving your student experience at Cardiff University, with the sustainable and iconic Centre for Student Life being built at the heart of our campus. The Centre will be home to our Student Support services as well as offering modern, flexible social learning spaces and a technology-rich 550-seat lecture theatre. Construction work has already begun, and the exciting new Centre is expected to be completed in time for the 2020/21 academic year.

.....

Our new home for Journalism

The School of Journalism, Media and Culture relocated to a brand new, purpose-built home at the heart of the city centre in 2018. Located alongside local and national media companies, including BBC Cymru Wales, this new venue helps us build stronger industry links, boosting our students' employability by providing direct access to major media organisations within journalism as well as the creative and cultural industries.

With modern facilities, newsrooms, editing suites and TV and radio stations, there has never been a more exciting time to join the School of Journalism, Media and Culture.

.....

Innovation campus

£300 million is being invested into the Cardiff Innovation Campus. This will be a centre designed to nurture partnerships between entrepreneurs, business leaders, professional advisers, academics and students.

With state-of-the-art facilities, laboratories and serviced offices, the space will work hand-in-hand with businesses ranging from start-ups to established companies, to provide support and resources to encourage growth and help innovation flourish.

The Innovation Campus will also be home to SPARK – the world's first Social Sciences Research Park.

.....

Your future, our future

Your relationship with Cardiff University does not end at graduation. As a Cardiff alum, you will join our 173,000-strong community who thrive as leaders in their fields, and are committed to making a real difference to the world we live in.

After graduating you will receive regular news, features and opportunities from the University, and access to a range of exclusive benefits including careers advice, use of library and sports facilities, and a full calendar of events.

You can always come home to Cardiff, too – by giving talks at student recruitment events in your home country, providing workplace opportunities, or even fundraising for world-leading research as part of #TeamCardiff.

Wherever your degree takes you, Cardiff is for life.

PHD/MPHIL RESEARCH AREAS

We offer supervision in a broad range of areas spanning private, public and commercial legal spheres from domestic, transnational and international perspectives. These areas are integrated within the School's vibrant research culture which features several research centres and groups:

- Centre for Crime, Law and Justice
- Centre for European Law and Governance
- Centre for Health and Social Care Law
- Centre for Human Rights and Public Law
- Centre for Law and Global Justice
- Centre for Law and Religion
- Centre for Law and Society
- Environmental Justice Research Group
- Family Law Research Group
- Gender Rules Research Group
- The Law Lab
- Wales Governance Centre

lawpol-pgr@cardiff.ac.uk

Research areas are dependent on sufficient supervisory capacity. Due to staff changes and research leave, minor changes to this list may occur.

We are the only Russell Group University in the UK to offer complete professional legal training: the Graduate Diploma in Law (GDL), Legal Practice Course (LPC) and Bar Professional Training Course (BPTC).

languages-pg-admissions@cardiff.ac.uk

PHD/MPHIL RESEARCH AREAS

Our full and part-time PhD and MPhil opportunities are grouped together under the banner of Languages and Translation Studies.

We offer supervision across a wide range of research topics, broadly categorised into the following themes:

- history and memory
- culture and identity
- languages and translation studies
- global area studies
- history and ideologies
- conflict and development
- literary and textual studies

- cultural studies
- visual cultures
- modern languages education policy, planning and innovation

languages-pg-admissions@cardiff.ac.uk

RESEARCH INTERESTS

The department has five central research themes:

1. Borders and Bodies
2. Capitalism, Crisis and Ideology
3. Conflict, Development and Disaster
4. Picturing Others
5. Translation, Adaptation and Performance

Within these research themes, the following research strands feature:

- translation, adaption and multimodality (radio, film, television, new media)
- translation in/and performance
- representing mobility and migration including cultures of travel and transportation (in literature and photography)
- post-colonial and transnational literatures, cultures and identities
- peripheral and minority cultures and identities
- the study of socialist and post-socialist Europe
- comparative NGO and civil society studies
- Žižek and ideology studies
- Lacanian cultural (especially film) analysis
- popular cultures especially crime fictions and film
- comics and graphic fiction

'The School of Welsh is a truly special and tightly knit community. As a student here, I've been encouraged with generous guidance and mentorship. I've also found a wonderful community of friends who have made me feel very at home in Cardiff.'

Emma Watkins, MA Welsh and Celtic Studies, Fullbright Scholar, USA

Study Abroad & international exchange

More information

For more information on your choices and to check your eligibility please visit the website:

www.cardiff.ac.uk/studyabroad

You may also contact the Study Abroad Office:

studyabroad@cardiff.ac.uk

Studying for a short time at Cardiff University is a great opportunity to gain some valuable international experience while being immersed in a unique Welsh cultural tradition. You will gain an alternative perspective on your chosen subject, enhance your résumé and make worldwide friends.

Study Abroad and international exchange students are fully integrated into the student body at Cardiff University. You will be taught and assessed alongside all other students and have access to the same social and academic facilities featured in this prospectus.

Who can apply?

You can apply for a Study Abroad or international exchange programme if:

- you have studied for two years at another university which is recognised by Cardiff University
- you have achieved certain grades in the preceding years. Commonly this is a GPA of 3.0 or equivalent (on a 4.0 scale), although some Schools may require a higher average
- your home university will permit you to Study Abroad and recognise grades achieved at Cardiff University as contributing to your degree
- you are from outside the European Union.

Note: for some modules (classes/courses/units) you may be required to show you have certain pre-requisites/background knowledge.

Build your own Study Abroad Programme

Cardiff University's academic system is modular which means you will be able to choose classes from several different subjects. You will be able to build your own programme to suit your interests and match with your degree at your home university. The full range of available modules is online:

www.cardiff.ac.uk/studyabroad

A unique Welsh cultural experience

Studying abroad at Cardiff University provides the exciting opportunity to explore Wales and the distinctive Welsh culture. Many Study Abroad students choose to take classes about Wales and learn some of the Welsh language while they are here.

Cardiff is well-connected by road, rail, air and sea. Cardiff Airport is serviced by both low-cost and premium international airlines, making it a great base for exploring the UK, Europe and beyond.

Cardiff is a truly international university, with partnerships and projects around the world which our students are able to take advantage of. Our Global Opportunities (GO) team is here to make spending time abroad as part of your Cardiff experience a reality for undergraduate students studying at Cardiff.

global opportunities

Studying, working or volunteering abroad as part of your undergraduate university experience is a great way to broaden your academic knowledge, immerse yourself in another culture and gain skills valued by employers.

Spend time abroad

As part of your degree

Study or work abroad as part of your degree – gain valuable experience and an international perspective on your chosen subject through our exchange opportunities.

During your summer holiday

Study abroad with opportunities to explore Spanish culture and language in Mexico, global business at the University of Hong Kong, entrepreneurship and innovation in Singapore or engineering and sustainability in Germany.

Work abroad through an international internship to help you stand out in the global jobs market, with opportunities in China, USA, Colombia, Vietnam and more.

Volunteer in Canada, India, Fiji, Japan, Cambodia, Uganda, Zambia and beyond, joining teams of students knowing that your hard work will make a positive contribution to your host community.

Why GO?

Studying, working or volunteering abroad will not only enhance your résumé by demonstrating key skills such as cross-cultural communication, flexibility and collaborative working, but can also enable you to broaden your perspectives and develop personally.

Spending time abroad will enable you to:

- experience different cultures
- learn new languages and skills
- improve your understanding of the world around you
- make new friends and share unforgettable experiences
- build international connections
- enhance your résumé and improve your career prospects.

Find out more at:
www.cardiff.ac.uk/globalopportunities

**Opportunities listed are available for 2019 entry and are provided as a guide. Opportunities will vary from year to year and you should check with the GO team for the most up-to-date information.*

Progress onto Cardiff University courses without needing to resit IELTS.

English language programmes

The English Language Programmes teaching centre offers a variety of courses ranging from eight weeks to nine months which cater for most language levels and abilities. Students come from all over the world to improve their English before starting university study.

English for University Study

The English for University Study Programme is a full-time English language and study skills course in academic English. It will provide you with the academic study skills that you need to study effectively in a UK environment, covering language, study and professional skills and British academic culture.

The English for University Study Programme is a good choice if you plan to continue your higher education studies at foundation, undergraduate or postgraduate level. You will need to take a test to demonstrate your English is of an appropriate level.

The programme provides you with the skills and language needed for a smooth transition into academic study. The aim is to develop confident and successful students who are equipped for university study in the UK.

Our Academic Schools will accept the English for University Study Exit Test scores instead of a valid IELTS. Exit tests can be taken at the end of each term.

The English for University Study Programme has three entry points: in September, January and April/May.

Intake	Minimum entry requirement
September	IELTS 4.0
January	IELTS 4.5
April/May	IELTS 5.0

Included in the course:

- 20 tuition hours per week (plus self-study and assignments)
- one-to-one tutorial guidance and support
- formal transcript showing assessments completed and indicating your level of language proficiency at completion of the course

Pre-sessional Programmes

The Pre-sessional programme provides an excellent opportunity for students holding offers from Cardiff University, at postgraduate or undergraduate level, to take short courses in English for Academic Purposes.

These courses are highly intensive and are designed specifically for students who need only a short period of study to reach the required English language entry standard for their academic course.

Course options

Current IELTS	Required IELTS	Required course length
5.0	6.5	20 weeks*
5.5	6.5	12 weeks*
6.0	6.5	8 weeks
6.5	7.0	10 weeks

* participating schools only

More information

For more information, including information about sub-scores, and to make an application, please visit:

www.cardiff.ac.uk/elt or email elt@cardiff.ac.uk

In-sessional English Language Support

Many international students feel they need further help with English language after starting their course. If you would like to have some additional English language support, the in-sessional team can help you.

These classes can strengthen your academic writing, reading, listening, speaking and pronunciation, as well as generally improve your language skills and confidence. In addition to classes, as a student you will be able to access self-study lessons on academic writing, grammar and vocabulary on the Cardiff University Student Intranet.

The In-sessional team also run a weekly drop-in service during term time, which provides one-to-one advice.

International Foundation Programme:

Our 2020 International Foundation Programme provision is changing. For the latest updates or to find out more, please visit: www.cardiff.ac.uk/international

It's really the foundation of your skill, of your knowledge, of your everything!'

how to apply

1 Find your course

Find the academic and English language requirements for your course on our website:

www.cardiff.ac.uk/study

2 Check your eligibility

Check if your qualifications are suitable on our country advice pages

www.cardiff.ac.uk/study/international/your-country

or contact the International Office:

international@cardiff.ac.uk

In some countries an educational advisor may also be able to help you

3 Apply

Undergraduate / Bachelor

Undergraduate applications must be submitted online through UCAS:

www.ucas.com

Postgraduate Taught / Master's / PhD

You can apply directly to the University and track your application through our online portal (SIMS) at:

www.cardiff.ac.uk/postgraduate

4 Gather your documentation

To complete the application form you will need:

- exam results (original certificates and transcripts)
- references
- personal statement
- English language certificates

PhD students - If you are applying with your own research idea you must also find a supervisor and submit a research proposal:

- search for academic staff in the School who match your area of research interest
- contact the academic with your proposal and introduce yourself

Find useful tips at: www.cardiff.ac.uk/postgraduate

5 Submit your application

Is there an application fee?

Undergraduate – The University does not charge an application fee, however UCAS will charge a small fee of £25 to process your application

Postgraduate – For the vast majority of courses, the University does not charge an application fee

When is the application deadline?

Undergraduate – The official UCAS deadline for most courses is 30 June. If you want to apply after this date, please contact the International Office: international@cardiff.ac.uk. If you are applying for Medicine or Dentistry, the application deadline is 15 October prior to entry in September the following year

Postgraduate – Most postgraduate courses do not have a deadline, however the University encourages you to apply as early as possible to avoid disappointment. You must ensure you have enough time to complete the application process and, where applicable, get a visa. Some courses can become full quite quickly. It is recommended that you apply 9-12 months in advance of the course starting

How to write your personal statement

Your personal statement is an opportunity to tell the University about yourself, say why you're interested in the course and provide details of any relevant experience you have. Here are some useful tips for writing a good personal statement:

Be enthusiastic

Admissions tutors are looking for students who are passionate about the area they are studying. Tell us why you are interested in the course, what research you have done into the subject and what you plan to do after you graduate.

Include any work experience

Telling us about any relevant work or volunteering experience will demonstrate your commitment. This is very important for any healthcare related courses, which require you to demonstrate an understanding of the demands of working in these professions.

Show you can be part of a team

Admissions tutors are looking for students that will integrate and work well with other students. If you have been a member of a team or held a position of responsibility, you should show how these experiences will help in your studies.

Include your interests

The University looks for students who will contribute to the wider student community. You should provide information on your social and cultural hobbies, such as community volunteering, playing a musical instrument and sport.

Demonstrate ability in English

Detail how you have used English since your last English exam (For example: at work or during your studies) and check your spelling and grammar. It is a good idea to ask somebody to proof-read your personal statement.

What if I don't have all my qualifications/transcripts?

You do not need all your qualifications before you apply. You can take exams and submit your results after your initial application.

My studies have been completed in English - do I still need an English qualification?

If you have previously studied in the medium of English this may be sufficient for the English requirement. This is at the discretion of the School. If you believe this could apply to you please state your reason in your application. You may still be required to provide a recognised qualification.

How long will it take to have a decision made on my application?

The University endeavours to make a decision on applications within six weeks, however during busy times it may take longer. If you have not had a response after six weeks please contact the International Office. Because PhD applications are more complicated, they can take longer to assess.

English language requirements

In addition to academic qualifications, the University also requires an English language qualification from all applicants. We accept IELTS, TOEFL, and iGCSE/GCSE amongst many other qualifications including Indian Year 12 and WAEC. Different courses will require you to achieve different scores, however, most courses usually require a score of 6.5 in IELTS (with at least 5.5 in each sub-score) or equivalent qualification. Some courses require a higher overall score, especially those that are language-based and require more complex English usage. You should check the website, contact the School or ask the International Office if you are unsure of the requirement. If you do not have the required English language level you may want to consider an English language course at Cardiff University. More information is on page 42.

You may also find this table of equivalencies useful:

GCSE	IELTS (Academic)	TOFEL iBT	Pearson Test of English (PTE A)
B / 6	7.0	100	70
C / 4	6.5	90	62
	6.0	78	54
	5.5	68	51

money and living expenses

Cardiff is the most affordable city in the UK for students*.

Fixed Tuition Fees

To help plan your budget for your time in Cardiff, the University has fixed tuition fees for the duration of the course. This means your tuition fee will not rise.

Tuition fees are different for each course and there may be some exceptions. You should check the website or contact the International Office for further advice.

You can also pay your tuition fees in three installments each year, to help manage your finances.

Funding and Scholarships

In recognition of the outstanding talent of many international students, Cardiff University offers a highly prestigious International Scholarship Fund, designed to attract and reward the best students. In addition to its own scholarship programmes, Cardiff University is also pleased to offer a number of scholarships in association with partnership organisations. Please see our website for the most up to date funding opportunities:

www.cardiff.ac.uk/international-scholarships

Living Expenses

For the 2019/20 session, the University estimated that:

- an undergraduate student (September – June) needed £9,980 a year
- a postgraduate student (September - September) needed £12,274 a year.

These estimates include university accommodation, bills, food, books, clothes, travel, telephone and social expenses.

If you are intending to bring family members, such as a spouse or child, you will need to have at least an extra £680 a month for each family member.

Working Part-Time

Cardiff University is in the middle of one of Europe's fastest growing cities and there are many opportunities for part-time employment both on campus, and in the city. The University's "Jobshop" offers a free service to help you find part-time employment. Usual jobs for students include helping out in shops and at events, call centre work and basic office assistance.

Most international students can work up to 20 hours during term time and full-time during the holidays. The University does not recommend you work the full 20 hours during the term because studying in the UK is intensive and you will need to make sure you have enough time to complete all your coursework and reading.

*NatWest Student Living Index 2019. Affordability is calculated by dividing students' average monthly accommodation, activities and item costs by their average monthly income.

How does Cardiff compare with other places?

Cardiff has many advantages which make it a cheaper place to study than other university cities. These include:

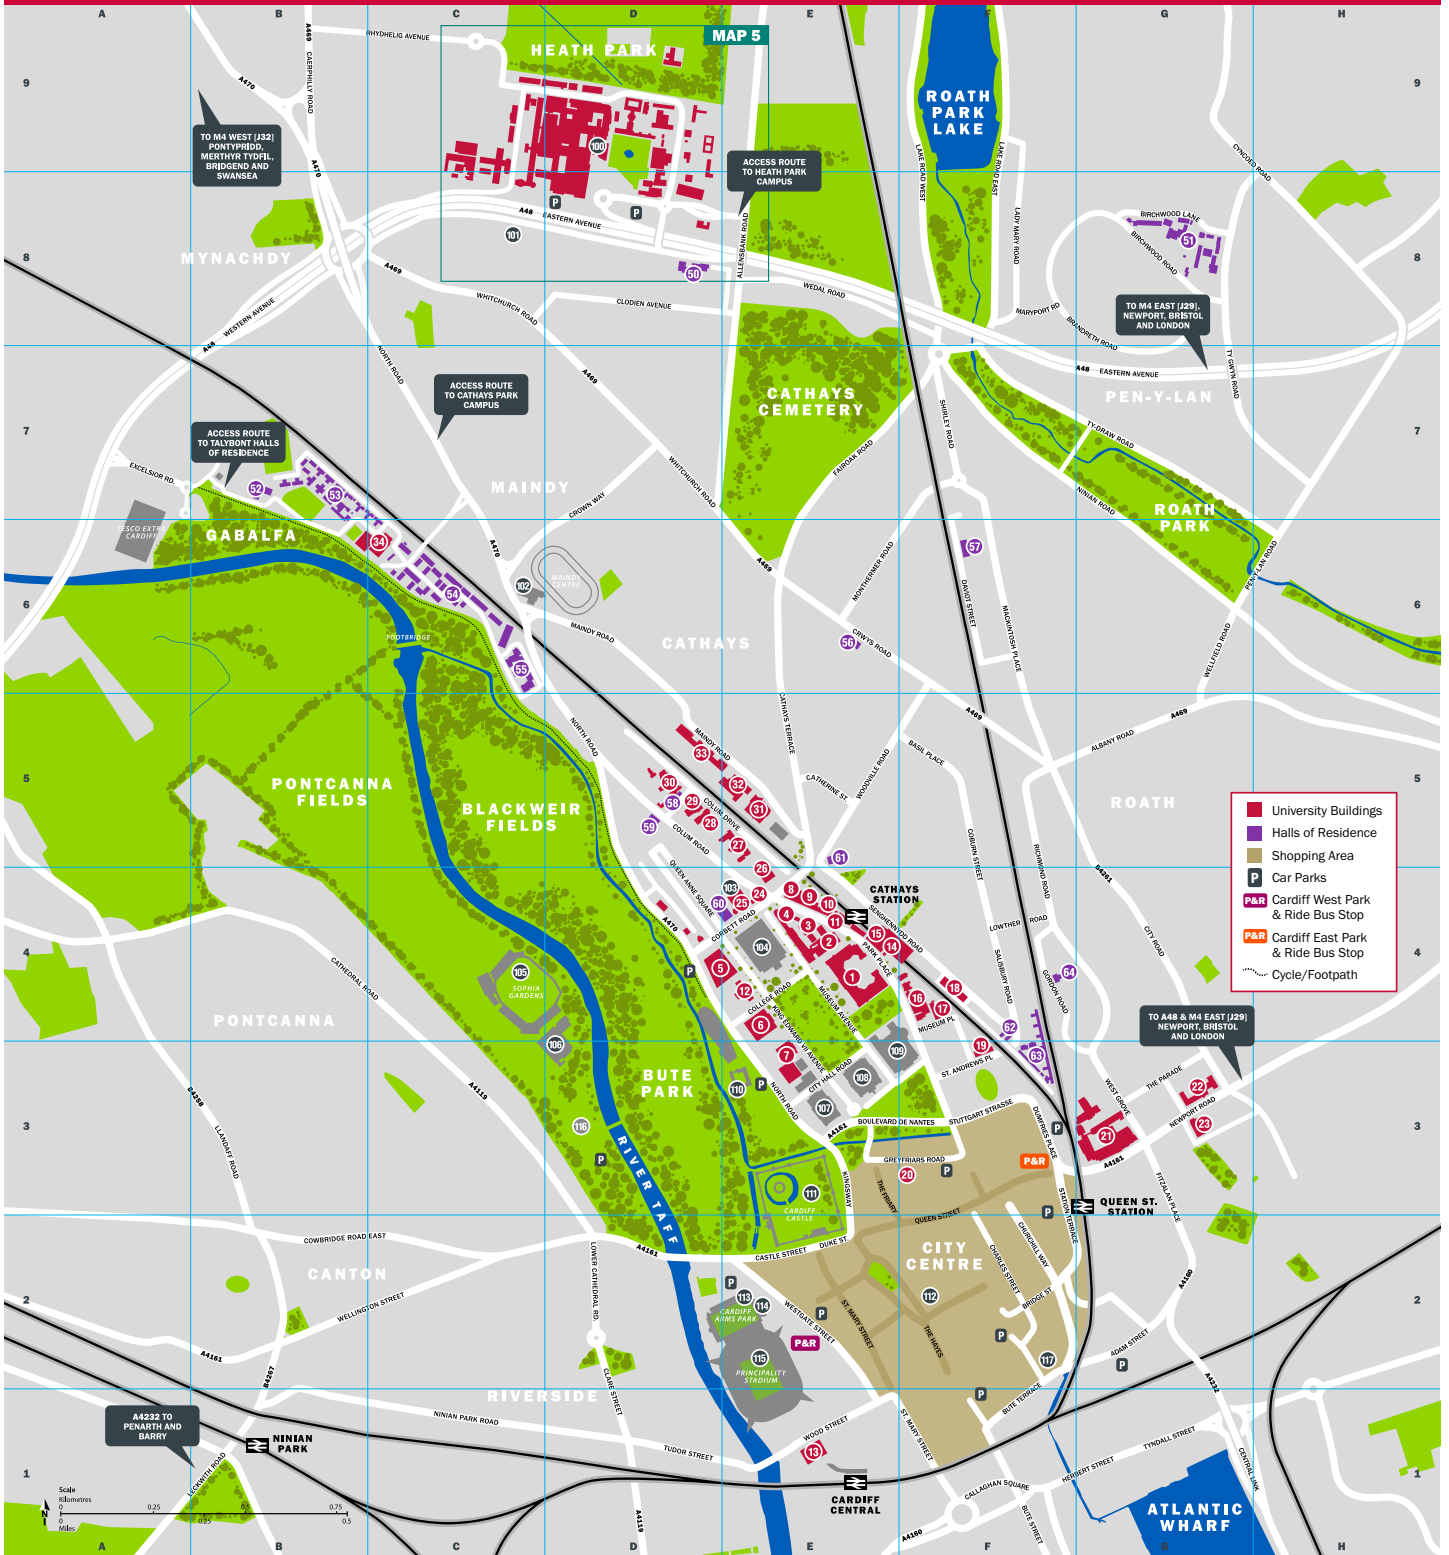

- Cardiff is a compact city and the University is in the middle – therefore you won't have far to travel between the University, city centre shops and your accommodation.
- Cardiff is also very flat making it easy to walk or cycle around. You won't need to spend money on buses or taxis.
- Cardiff has various bicycle and car sharing schemes that students can make use of. This will make it even easier for you to get around without large extra costs.

Monthly rent

The table below compares average monthly rent across the UK according to the NatWest Student Living Index 2019.

1 Belfast	£325	15 Nottingham	£458
2 Dundee	£374	16 Poole	£465
3 Cardiff	£375	17 Leicester	£469
4 Hull	£403	18 Southampton	£473
5 Newcastle	£406	19 Birmingham	£474
