Why International Year One?

- Earn credits toward your degree even if you don't meet the academic and English requirements for direct entry
- Receive additional support to move you successfully through your first year at a US university
- Graduate in the same amount of time as domestic students
- Smaller class sizes allow you to spend more time with your teachers

Notes

* The grid is for reference only and does not reflect an exact schedule.

Because of the intense nature of Summer classes, students will be enrolled in fewer credit hours during the summer semester.

¹ Offered for students beginning in Fall or Spring
² Not offered in Summer

Math placement will be dictated by a placement test that is administered prior to arrival.

These courses are generally delivered through the INTO USF Center and are for Pathway students only.
