Destination UK

Your choice of universities

2021-2022

‘Studying in the UK boosted my CV in many ways. The university I chose is well-known worldwide for preparing graduates, and this opens many doors without you having to knock on them. Before I’d even started my postgraduate studies, I was invited to interviews with four local and international organisations!’

Daniel, Ecuador

- Completed an **International Foundation in Humanities and Social Sciences** at INTO Manchester
- Graduated with **BA (Hons) International Business, Finance and Economics** from The University of Manchester with Upper Second Class Honours
- Continued to study a **MA in Development Studies** at the International Institute of Social Studies in the Netherlands
- Currently working as a **University Professor** at the University of Guayaquil

Your pathway to studying abroad

Every year, we help 14,000+ students from all over the world achieve their dream of studying overseas. With INTO, you’ll benefit from modern Study Centres, access to top facilities and specialist university-approved programmes. We’ll help you discover your perfect course and university, supporting you all the way on your journey to career success.

“I strongly believe that we need more women in STEM, and I wanted to pass on my skills to other girls. I co-founded a company called Code for Girls. Being at INTO is good preparation for university and your career. Take advantage of the mentorship available!”

Deema, Saudi Arabia

Completed an **International Foundation in Engineering, Mathematics, Computer Science and Physical Sciences** at INTO University of Exeter

Graduated with **BSc Computer Science** with Proficiency in Spanish from the University of Exeter

Currently Co-founder and Instructor of **Code For Girls, Riyadh**

“Studying at INTO was a great preparation for university life, as the teaching style and assessments were very similar to what I later experienced at university. INTO doesn’t only give you the knowledge and skills to get higher education, but teaches you how to be independent and motivated.”

Kseniia, Russia

Completed an **International Foundation in Humanities and Law** at INTO City, University of London
 Graduated with **LLB (Hons) Law** from City, University of London
 Currently working as a **Solicitor at Ashurst**

* This programme leads to the second year of a four-year undergraduate degree in Scotland.

** This programme leads to the third year of a four-year undergraduate degree in Scotland. The International Year One is known as the International Diploma.

† Prices for degrees with preparation programmes are for Year 1 only, and subsequent years of study are subject to university tuition fees.

‡ Price for undergraduate degrees are for Year 1 only. As a general principle, you should expect the tuition fee to increase in each subsequent academic year of your course, subject to inflation and government regulations on fee increases. EU students studying at Newcastle will pay UK (home) tuition fees. The most up to date information is available at: www.ncl.ac.uk/london/finance
