WHY CHOOSE GEORGE MASON UNIVERSITY?

FAST FACTS

Founded in **1972**
 Campus: **Fairfax, Virginia**
 City Population: **24,000**
 Campus Size: **677 acres**
 Enrollment: **37,000+**
 International Students: **4,700+**
 Countries Represented: **130+**
 Bachelor's: **80+**
 Master's and PhD: **125+**
 Research: **\$149M**
 Additional Campuses:
Arlington, Virginia,
Science and Technology Campus in
Prince William County, Virginia
 Study near **Washington, DC,**
 the nation's capital.

ABOUT GEORGE MASON UNIVERSITY

A Mason education prepares you for a meaningful career in a global society. You will learn from successful individuals who have put their stamp on the world and will inspire you to do the same. Studying in the nation's capital also has its benefits. You will sit in class with policy makers, just minutes away from government branches making today's biggest decisions. Washington, DC-based media, politics, business and technology pave the way for new approaches and products.

“ International students contribute greatly to the cultural and intellectual fabric of George Mason University, benefiting everyone in our community. Our best-in-state diversity ranking is in no small part dependent on the students from more than 130 countries who choose Mason for its academic and inclusive excellence. We are proud to say that you can meet the world on our campus. ”

Gregory Washington, PhD
President, George Mason University

Redefining Excellence

At Mason, we believe in applying what you learn in the classroom to real-world problems. Undergraduate and graduate students have access to hands-on learning opportunities outside the classroom and are involved in research that impacts the world.

Labs and research centers include:

- Mason Innovation Exchange (MIX): on-campus collaboration space featuring 3D printers, virtual reality and robotics
- Virginia Serious Game Institute: only serious game institute in the United States focusing on applied research and new game cultivation
- Innovation Lab: pairs students across all degree programs at Mason with mentors to develop new business ideas
- Mercatus Center: research center dedicated to bridging the gap between academic research and public policy problems
- Program-Specific Labs: robotics, simulation, biomechanics and forensic crime scene

The INTO Mason Advantage

George Mason University partners with INTO to create a support system for international students. We offer Academic English, International Year One, Undergraduate Transfer Program, Graduate Pathway, Bridge and Direct Entry programs where you will work alongside your American peers and earn credit towards your degree while improving your English skills. After successful completion of your program you will be able to progress to a Mason degree program.

INTO Mason is located on campus and provides students with many services including:

- Visa and immigration support
- Free airport pickup
- Orientation
- Cultural programming and social activities
- Free tutoring and language support
- Academic advising
- Housing assistance

INTO Mason Student Success

93.0% of all Pathway students were eligible to progress to Mason in 2018-19. Eligible students are those who successfully completed the Pathway program and qualified for admission as degree-seeking students. Enrolled students are those who enrolled as degree-seeking students in their next term of degree study at George Mason University.

Undergraduate and Graduate Pathway Progression Rate 2018-2019

93.0% Eligible Students

97.5% of Eligible Students
ENROLLED

LIVING NEAR WASHINGTON, DC

Washington, DC offers endless cultural and social opportunities year-round.

- Visit famous attractions including the US Capitol building, the White House and free Smithsonian museums.
- Taste authentic cuisines from one of DC's 2,200+ restaurants.
- Cheer on a DC sports team at a baseball, basketball or hockey game.
- Watch a performance at the world-famous Kennedy Center.
- Attend one of DC's many multicultural festivals.

The Fairfax Campus

Fairfax is a safe, residential area in the heart of Northern Virginia that students love to call home. There are diverse restaurants, shops and theaters within walking distance of campus. Students can take free shuttles around Fairfax and get dropped off at the Metro station to go directly into Washington, DC.

The Arlington Campus

This campus, located in the safe and urban Arlington neighborhood of Virginia Square, has a strong focus on career development and hosts a variety of Mason's graduate and professional programs. Just 15 minutes outside of Washington, DC, the Arlington Campus is located a short distance away from Amazon's future second headquarters.

Programs Offered

You will have classes at this campus if you are in one of the following Graduate Pathway programs:

- Accounting*
- Arts Management
- Business Administration (MBA)
- Conflict Analysis and Resolution
- Economics
- International Commerce and Policy
- Management (Business)
- Public Policy
- Real Estate Development

* The Accounting Pathway courses are held in Fairfax, but the accounting degree program is based in Arlington.

Arlington Campus

HOUSING AND DINING

Feel right at home at Mason. We have everything you need to settle into university life whether you need a place to live, study, eat or hang out with friends.

GLOBAL CENTER - DOUBLE ROOM

EASTERN SHORE - DOUBLE ROOM

* Students may also be placed in Whitetop or Sandbridge Halls. All have similar floorplans.

- Ángel Cabrera Global Center houses 270 students. Living here, you will be connected with cultures from all over the world. You will have access to free laundry facilities, 22 classrooms, a mediation space, and a buffet-style dining hall. All residence halls are double-occupancy with a full en-suite bathroom.
- Eastern Shore Residence Hall houses upper-class honors students, the Volgenau School of Engineering Living Learning Community, and INTO Mason students.
- Sandbridge Hall is located in the center of campus and houses 300 residents. With six-floors offering three, four, or five person suites, you have plenty of options to choose from.
- Southside Dining Hall is conveniently placed for you to grab a bite to eat in between classes. This all-you-care-to-eat venue provides 8 different stations with 8 different cuisine options.
- The Globe is a buffet-style dining hall offering halal, vegetarian, and gluten-free options and is open 365 days a year.

*You must be 17 years old to live on-campus. For more information on housing, please contact intofid@gmu.edu.

Become a Part of Mason Nation

- Join one of the 450+ student organizations.
- Attend a free game for one of the 22 NCAA Division I athletic teams.
- Take part in International Week competitions and events.
- Participate in holiday parties and fairs in your residence hall.
- Get your friends together and create a club sports team.
- Make a difference by volunteering for great causes.
- Attend a concert at EagleBank Arena.

For more information about living at Mason, visit www.intostudy.com/mason/living

“ The goal of international affairs is to contribute to society and to improve lives all over the world. At George Mason, you are encouraged to analyze these global issues and think critically. It's one of the most valuable skills that you can learn for the working world. ”

Kevin, China
Master's in International Commerce and Policy

ACADEMIC STRENGTHS

As a top 100 public university, Mason's programs prepare you to lead the way in innovative research, new technologies, global policy and cybersecurity.

International Relations, Economics and Business

With Washington, DC as your backyard, there is no better place to prepare for a global career. Mason's top-ranked programs from the Schar School of Policy and Government, School for Conflict Analysis and College of Business prepare you to engage and communicate across cultures. Students gain access to world-renowned organizations and engage in issues by studying foreign affairs, diplomacy, international development and business.

Engineering and Cybersecurity

Mason's engineering program was built to directly assist with official national security priorities, and holds one of the longest track records of advancing information security in the United States. Mason was also ranked the No. 1 US university for discovering and developing cybersecurity talent, and our graduates go on to lead impactful careers around the world according to SANS 2019.

WORLD-CLASS FACULTY AND ALUMNI

At Mason, you will learn from professors who are top scholars in their fields and global policy makers for today's largest issues. Discover how Mason's expert faculty will transform your academic journey into meaningful career development.

Learn from Policy Leaders

Mason's faculty are not just in your classroom, they are taking part in global discussions at the White House, the United Nations, United States Congress and more. It is common to see your professors penning articles in prevalent publications like *The New York Times*, *The New Yorker* and *The Washington Post* that circulate around the world.

Michael V. Hayden is a former CIA and NSA director who teaches in the Schar School of Policy and Government. He also founded the Michael V. Hayden Center for Intelligence, Policy and International Security at Mason.

Terry McAuliffe is a former Virginia governor who serves as a visiting professor in the Schar School of Policy and Government.

Mason's Alumni Change the World

We are not kidding, Mason's alumni are out of this world. They go to space. They win Pulitzer Prizes. They work in the White House. They create life-changing laws. With a Mason degree, you can do anything.

Anousheh Ansari got her bachelor's in electrical engineering from Mason. She was the first Iranian-American and Muslim woman in space.

Hala Gorani got her bachelor's in economics from Mason and is an award-winning CNN anchor. She is the senior correspondent for CNN International based in London.

"The Washington, DC region is a good business area. There are a lot of opportunities here. I still meet with my friends from INTO Mason very often. Most of them have jobs now in DC or in Virginia. We are very successful students at Mason."

Mi, China
Master's in Accounting
Staff Auditor at SB and Company

FOCUSED ON YOUR FUTURE

Mason University Career Services offers support to students through:

- Résumé and interview workshops
- On-campus career fairs with 300+ employers from top companies in the area
- Access to a strong professional network in various industries
- Curricular Practical Training (CPT) and Optional Practical Training (OPT) workshops

TOP EMPLOYERS OF MASON ALUMNI

- Accenture
- Apple
- Deloitte
- General Dynamics
- Inova Health System
- Marriott International
- NASA
- Northrop Grumman
- Smithsonian Institution
- U.S. Department of Homeland Security
- U.S. Department of Justice
- U.S. Department of State

Experiential Learning

74% of graduating students participated in experiential learning, which includes internships, research, study abroad, student leadership and work related to career goals.

Did you know?

- **82% of Mason graduates** are employed within six months of graduation
- **82% of employed students** are in positions related to their career goals
- **\$72,000 average first-year salary** earned by Mason graduates

THE ARRIVAL OF AMAZON'S WORLD HQ 2

Amazon announced that Northern Virginia—where Mason's Arlington and Fairfax Campuses are—will be the future home to the tech giant's second headquarters. Amazon expects to create more than 25,000 job opportunities for highly skilled graduates.

Mason will create a pipeline for talent and innovation that serves the region by investing \$250 million to expand the Arlington Campus over the next five years, including:

- A new School of Computing on the Arlington Campus
- Institute for Digital Innovation (IDIA), a hub of innovation bringing together entrepreneurs, researchers and business leaders
- Increasing enrollment from 6,500 students in computing programs to 13,000 by 2024

ACADEMIC PROGRAMS

FIND YOUR DEGREE. With a wide range of subject areas and admissions options, you can find the perfect degree for your chosen career. You can choose to apply for direct entry to the university or for a Pathway program that provides extra academic, language and cultural support. From the day you apply to the day you graduate, we are here to help you succeed every step of the way. Turn to the back cover to learn how to apply.

B = Bachelor's	M = Master's	D = Doctorate	
GP Graduate Pathway program that can lead to this degree is indicated in purple. This degree is also available through direct admission.			
● Indicates a George Mason University degree program.			
★ Indicates a three-year international undergraduate degree can lead to this master's degree through the Graduate Bridge Program.			
▶ Designated STEM degree by the U.S. Department of Homeland Security.			

International Year One

Indicates the International Year One program that should be taken to progress to an undergraduate academic program. This program is also available through direct admission.

UNDERGRADUATE ADMISSIONS

We offer several routes to admission. With more than 80 bachelor's degrees, flexible study plans and start dates throughout the year, we will help you find the option that is right for you.

There is no need to stress about where you start; just focus on where you're going. We don't design our programs for one type of student; our programs are built for everyone. Where you begin depends on your grades and English level. Where you end up is where you want to be: graduating with a bachelor's degree from George Mason University.

→ **DIRECT ENTRY:** If you meet the academic and English language requirements for your degree program, you can apply directly to George Mason University.

To apply, you will need the following required documents: declarations, high school transcripts, university transcripts (for transfer applicants), proof of degree, personal statement, accounting of time, passport, English test score and personal statement (recommended). An application fee may apply. For more information, visit catalog.gmu.edu/admissions/international-students

→ **INTERNATIONAL YEAR ONE:** International Year One allows you to begin earning credits toward your degree even if you do not meet the academic and English requirements for direct entry. You will receive additional academic, English language and cultural support to help you successfully complete your first year and graduate in the same amount of time as direct entry students. For more information, visit www.intostudy.com/mason/programs

→ **ENGLISH LANGUAGE PROGRAM:** If you do not meet the direct or International Year One entry language requirements, you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level, you can progress to International Year One or enter your degree program directly. Learn more on page 21.

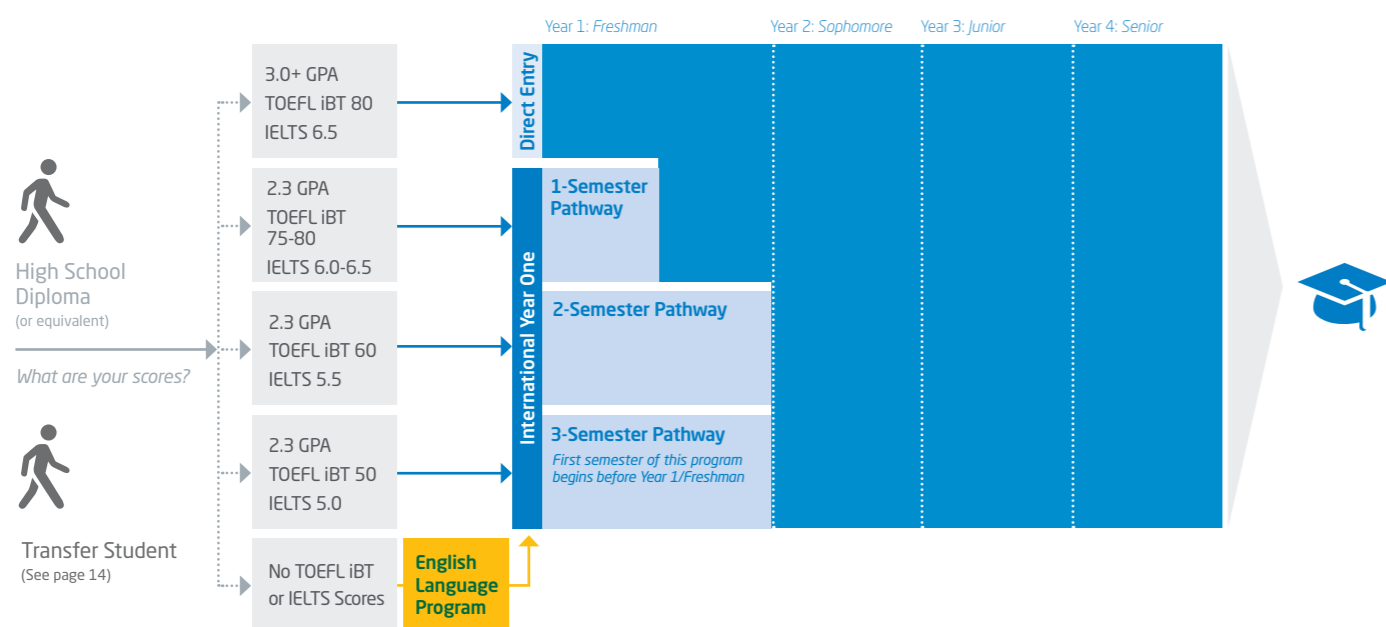

PROGRAM	DIRECT*	INTERNATIONAL YEAR ONE**			
		1-SEMESTER	2-SEMESTER	3-SEMESTER	
Program requirements	<ul style="list-style-type: none"> High school diploma ACT/SAT may be required depending on program Additional materials may also be required 	High school diploma			
Minimum GPA Equivalent	3.0	2.3	2.3	2.3

US UNDERGRADUATE EDUCATION SYSTEM

To graduate with your 4-year undergraduate degree, you will need to take the following classes:

Core classes: General education courses can include English composition, social sciences, humanities, history, mathematics and natural/physical science. These are typically taken at the beginning of your degree.

Major classes: These classes will be about the specific field of study you choose. They are typically taken toward the last part of your degree.

UNDERGRADUATE TRANSFER PROGRAM >>

Have you earned 30 or more credits from an international college or university and want to transfer to a US university? You can transfer directly into George Mason University or choose our Undergraduate Transfer Program (UTP), which is specifically designed to support international students through the process of transferring.

Entry Requirements**		
Program	Direct transfer	Undergraduate Transfer Program
Program length	Varies	1-Semester
Start Dates	Fall: Aug 2021 Spring: Jan 2022	Fall: Aug 23, 2021 Spring: Jan 18, 2022
GPA	2.85	2.3*
TOEFL iBT	80 (1.8 in all subscores)	80 (1.7 subscores in reading and writing)
IELTS	6.5 (6.0 in all subscores)	6.5 (6.0 subscores in reading and writing)
IELA	176 (169 in all subscores)	175 (165 subscores in reading and writing)
Duolingo	110	100
Minimum Transfer Credits	No minimum	30
Maximum Transfer Credits	2-year college: 75 4-year college: 90	90

Entry requirements are subject to change and vary by program.
*GPA varies. Comprehensive review of application completed for UTP students. No grade below C in major-related subjects. Engineering applicants must complete equivalent of Calculus I.
**Courses completed 10+ years prior will not be included for majors within Volgenau School of Engineering or School of Business.

Why Choose UTP?

Choosing UTP provides a customized, cost-effective path to your bachelor's degree. Before your program starts, Mason will provide you with an estimate of credits that will transfer to the university. Once you arrive on campus, our friendly staff will be available to help you transition into life at a US university. You will also have access to helpful resources including academic, English language and cultural support. If you do not meet the English language entry requirements for the UTP, you can enter our Academic English program before progressing to either the UTP or direct transfer to Mason.

Undergraduate Transfer Program Benefits

- Transfer of credits from your college or university-level classes to your degree
- Receive customized curriculum of university credit-bearing courses
- Quick turnaround time for offer (5-7 business days)
- Unofficial Pre-arrival Credit Evaluation (1.5 additional business days after receiving offer letter) and official credit evaluation during first semester at Mason
- Guaranteed progression to any undergraduate program available through International Year One
- Academic advising and support throughout the program including assistance transferring credit out of UTP into degree program

GRADUATE ADMISSIONS >>

As a graduate student, you can pursue research among world-renowned faculty and access diverse career opportunities in the Washington, DC area. There are several paths to earn your master's degree at Mason.

How you start your program depends on your academic profile and your English level. How you finish your program is exactly how you pictured: graduating with a master's degree or PhD from Mason.

→ **Direct Entry:** If you meet the academic and English language requirements for your degree program, you can apply directly to Mason.

To apply, you will need the following required documents: declarations, university transcripts, proof of degree, accounting of time, passport, English test score and personal statement. An application fee may apply. Additional requirements such as previous work experience and a portfolio are required for select programs.

Graduate degrees are competitive, and an extensive review of your application will be done. Please expect a longer turnaround for an admissions decision. For more information, visit catalog.gmu.edu/admissions/international-students

→ **Graduate Pathway:** Our Graduate Pathways allow you to begin earning credits toward your degree even if you do not meet the academic and English requirements for direct entry. The program will help build the academic foundation and essential English language skills you need to successfully progress to your master's degree. For more information, visit www.intostudy.com/mason/programs

→ **English Language Program:** If you do not meet the direct or Graduate Pathway program entry language requirements, you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level, you can progress to a Graduate Pathway program or enter your degree program directly. Learn more on page 21.

PROGRAM	DIRECT	GRADUATE PATHWAY	
		1-SEMESTER	2-SEMESTER
Program requirements	<ul style="list-style-type: none"> • 4-year undergraduate degree or higher • Minimum GRE, GMAT or other scores if required by program • Additional materials may also be required (vary by program) 	4-year undergraduate degree

Graphic Design											
2-Semester	•		26/36	2.75	4-year undergraduate degree or equivalent in graphic design, fine arts, studio art or sub-discipline (sculpture, photography, new media, printmaking, interarts, painting or drawing) • Portfolio ¹	70 (1.3 subscores in reading and listening)	6.0 (5.5 subscores in reading and listening)	165 (1.55 subscores in reading and listening)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 1 letter of recommendation
1-Semester	•		28/36			80 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	110		
Health Informatics [MS concentrations: Health Data Analytics; Health Informatics Management; Population Health Informatics]											
2-Semester	•	•	28-33/34-39	2.75	4-year undergraduate degree or equivalent in related field • Related fields include information systems, health policy and health services	75 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•	•	28-33/34-39			85 (2.0 subscores in reading and writing)	6.5 (6.5 subscores in reading and writing)	175 (1.75 subscores in reading and writing)	110		
Health Systems Management											
2-Semester	•	•	40-41/46-47	2.75	4-year undergraduate degree or equivalent in related field • Related fields include public administration, health policy, health services, business, economics and nursing	75 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•	•	40-41/46-47			85 (2.0 subscores in reading and writing)	6.5 (6.5 subscores in reading and writing)	175 (1.75 subscores in reading and writing)	110		
Information Security and Assurance [MS concentrations: Network and System Security, Applied Cyber Security]											
2-Semester	•	•	24/30	2.75	4-year undergraduate degree in computer science or related field (computer science or computer engineering, software engineering and mathematics) • Degree must include Data Structures and Algorithms, Automata Theory and Formal Languages, Computer Architecture, including Assembly Language • Completion of Calculus I and II and a course in discrete mathematics	70 (1.3 subscores in reading and listening)	6.0 (5.5 subscores in reading and listening)	165 (1.55 subscores in reading and listening)	100	3.25	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•	•	24/30			80 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	110		
Information Systems											
2-Semester	•	•	24/30	2.75	4-year undergraduate degree in related field (computer science, computer engineering, software engineering and mathematics) • IT and STEM disciplines that contain foundation courses accepted • Courses include Data Structures, Discrete Mathematics, Computer Architecture, Object-oriented programming using Java	70 (1.3 subscores in reading and listening)	6.0 (5.5 subscores in reading and listening)	165 (1.55 subscores in reading and listening)	100	3.25	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•	•	24/30			80 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	110		
International Commerce and Policy [MA concentrations: Global Development and Governance; Global Finance, Investment and Trade; Global Risk and Strategy]											
2-Semester	•	•	27/36	2.75	4-year undergraduate degree or equivalent	75 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	165 (1.55 subscores in reading and listening)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 2 letters of recommendation, preferably from ITRN professor
Linguistics											
2-Semester	•	•	21/30	2.75	4-year undergraduate degree or equivalent in related field • Related fields include English, ESL, linguistics and language acquisition	75 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	100	3.2	• B or better in all LING courses, at least one A • B or better in all INVO/EAP courses • No grades of NC, W, or IN permitted • Statement of purpose • 2 letters of recommendation
Management											
2-Semester	•	•	30/36	2.75	4-year undergraduate degree or equivalent	75 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • GRE: 144V+, 155Q+ OR minimum GMAT: 23V, 29Q, 500 overall • 2 letters of recommendation, preferably one from a School of Business faculty member • Statement of purpose
1-Semester	•	•	33/36			85 (2.0 subscores in reading and writing)	6.5 (6.5 subscores in reading and writing)	175 (1.75 subscores in reading and writing)	110		
Mathematics											
2-Semester	•	•	24-30/30	2.75	4-year undergraduate degree or equivalent in mathematics or statistics	70 (1.3 subscores in reading and listening)	6.0 (5.5 subscores in reading and listening)	165 (1.55 subscores in reading and listening)	100	3.25	• B or better in all MATH courses, at least one A • B or better in all INVO/EAP courses • No grades of NC, W, or IN permitted • 2 letters of recommendation
Music [MM concentrations: Jazz Studies, Performance]											
2-Semester	•	•	20/30	2.75	4-year undergraduate degree or equivalent in music performance, conducting, ethnomusicology, music education, music theory, composition or jazz studies • Audition (Video recordings must be submitted at the time of application) ²	70 (1.3 subscores in reading and listening)	6.0 (5.5 subscores in reading and listening)	165 (1.55 subscores in reading and listening)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•	•	23/30			80 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	110		
Nutrition											
2-Semester	•	•	33/39	2.75	4-year undergraduate degree or equivalent in related field • Related fields include nursing, health sciences, agricultural studies, public health and education	75 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	100	3.25	• A in NUTR 295 • B or better in NUTR 515 and GCH 601 or HAP 602 • B or better in all INVO/EAP courses • No grades of NC, W, or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•	•	36/39			85 (2.0 subscores in reading and writing)	6.5 (6.5 subscores in reading and writing)	175 (1.75 subscores in reading and writing)	110		
Operations Research [MS concentrations: Data Analytics, Decision Analysis, Financial Engineering, Military Operations Research, Optimization, Stochastic Models]											
2-Semester	•	•	24/30	2.75	4-year undergraduate degree or equivalent in engineering, mathematics, computer science, physical sciences or economics • Completion of following courses required: multivariate calculus, linear algebra, calculus-based probability and statistics and a computer programming course with B or better	70 (1.3 subscores in reading and listening)	6.0 (5.5 subscores in reading and listening)	165 (1.55 subscores in reading and listening)	100	3.0	• B or better in all course work • No grades of NC, W, or IN permitted • Statement of purpose • 1 letter of recommendation
1-Semester	•	•	24/30			80 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	110		

Entry and progression requirements are subject to change and may vary by program.

¹For specific portfolio requirements, please visit partnerportal.intoglobal.com/Course-Information/george-mason-university/graduate-pathway-in-graphic-design

²For specific audition requirements, please visit partnerportal.intoglobal.com/Course-Information/george-mason-university/graduate-pathway-in-music

³GRE Waivers may be granted based on students' previous academic background, demonstrated quantitative skills, and relevant work history

* Estimated credits remaining after Pathway/Total credit hours needed to complete degree.

	Fall	Spring		GPA	Undergraduate Degree	TOEFL iBT	IELTS	IELA	Duolingo	GPA	Other
Psychology [MA concentrations: Industrial and Organizational Psychology; Human Factors/Applied Cognition]											
2-Semester	•		21-22/32	2.75	4-year undergraduate degree or equivalent in psychology, cognitive sciences or human factors	75 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	100	3.5	• B+ or better in PSYC 611 AND PSYC 639 • At least one A in a PSYC course • B or better in all INVO/EAP courses, at least one A • No grades of NC, W, or IN permitted • GRE: 160Q+, 150V+, 3.5AW+ • Statement of purpose • 2 letters of recommendation
1-Semester	•		25/32			85 (2.0 subscores in reading and writing)	6.5 (6.5 subscores in reading and writing)	175 (1.75 subscores in reading and writing)	110		
Public Policy											
2-Semester	•	•	27-30/36-39	2.75	4-year undergraduate degree or equivalent	75 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 2 letters of recommendation, preferably from ITRN or PUBP professor
Real Estate Development											
2-Semester	•	•	30/36	2.75	4-year undergraduate degree • 2 years postgraduate full time professional work experience (including business, teaching, military service or government experience)	75 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • 2 letters of recommendation, preferably one from a School of Business faculty member • Statement of purpose
1-Semester	•	•	33/36			85 (2.0 subscores in reading and writing)	6.5 (6.5 subscores in reading and writing)	175 (1.75 subscores in reading and writing)	110		
Social Work [MSW concentrations: Clinical Practice, Social Change]											
2-Semester	•		54/60	2.75	4-year undergraduate degree or equivalent with 30 credits of general studies or liberal arts course work	75 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 3 letters of recommendation
Software Engineering											
2-Semester	•	•	24/30	2.75	4-year undergraduate degree or equivalent in computer science or a related field • Degree must include Data Structures & Algorithms, Automata Theory and Formal Languages and Computer Architecture, including Assembly Language • Completion of Calculus I and II and a discrete mathematics course	70 (1.3 subscores in reading and listening)	6.0 (5.5 subscores in reading and listening)	165 (1.55 subscores in reading and listening)	100	3.25	• B or better in all course work • No grades of NC, W, or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•	•	24/30			80 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	110		
Special Education [Med concentrations: Early Childhood Special Education]											
2-Semester	•		21/30	2.75	4-year undergraduate degree or equivalent	75 (1.7 subscores in reading and listening)	6.5 (6.0 subscores in reading and listening)	175 (1.65 subscores in reading and listening)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•		24/30			85 (2.0 subscores in reading and writing)	6.5 (6.5 subscores in reading and writing)	175 (1.75 subscores in reading and writing)	110		
Special Education [No concentration]											
2-Semester	•		21/30	2.75	4-year undergraduate degree or equivalent	75 (1.7 subscores in reading and listening)	6.5 (6.0 subscores in reading and listening)	175 (1.65 subscores in reading and listening)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•		24/30			85 (2.0 subscores in reading and writing)	6.5 (6.5 subscores in reading and writing)	175 (1.75 subscores in reading and writing)	110		
Sport and Recreation Studies [MS concentrations: Recreation Administration; Sport and Leisure Studies; Sport Management]											
2-Semester	•		21/30	2.75	4-year undergraduate degree or equivalent	75 (1.7 subscores in reading and listening)	6.5 (6.0 subscores in reading and listening)	175 (1.65 subscores in reading and listening)	100	3.0	• B or better in all course work • No grades of NC, W or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•		24/30			85 (2.0 subscores in reading and writing)	6.5 (6.5 subscores in reading and writing)	175 (1.75 subscores in reading and writing)	110		
Statistical Science											
2-Semester	•	•	24/30	2.75	4-year undergraduate degree in any field which includes course work in multivariable calculus, matrix or linear algebra, statistics and calculus-based probability • Students must have completed the equivalent to the following courses: MATH 113, 114, 213, 203 or 321, STAT 250 or 344, 346 or MATH 351 with an equivalent of C or better	70 (1.3 subscores in reading and listening)	6.0 (5.5 subscores in reading and listening)	165 (1.55 subscores in reading and listening)	100	3.0	• B or better in all course work • B or better in STAT 544 and 554 • No grades of NC, W, or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•	•	24/30			80 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	110		
Systems Engineering [MS concentrations: Advanced Transportation Systems; Architecture-Based Systems Integration; Command, Control, Communications, Computing, and Intelligence; Energy Systems; Financial Systems Engineering; Systems Engineering and Data Analytics; Systems Engineering of Software-Intensive Systems; Systems Management]											
2-Semester	•	•	24/30	2.75	4-year undergraduate degree in engineering, mathematics, computer science, physical sciences or economics • Completion of multivariate calculus, linear algebra, calculus-based probability and statistics and a computer programming course with an equivalent of B or better required	70 (1.3 subscores in reading and listening)	6.0 (5.5 subscores in reading and listening)	165 (1.55 subscores in reading and listening)	100	3.0	• B or better in all course work • No grades of NC, W, or IN permitted • Statement of purpose • 1 letter of recommendation
1-Semester	•	•	24/30			80 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	110		
Telecommunications [Emphases: Network Technologies; Network Applications; Wireless Communications; Systems Engineering of Telecommunications]											
2-Semester	•	•	24/30	2.75	4-year undergraduate degree or equivalent	70 (1.3 subscores in reading and listening)	6.0 (5.5 subscores in reading and listening)	165 (1.55 subscores in reading and listening)	100	3.0	• B or better in all course work • No grades of NC, W, or IN permitted • Statement of purpose • 2 letters of recommendation
1-Semester	•	•	24/30			80 (1.7 subscores in reading and writing)	6.5 (6.0 subscores in reading and writing)	175 (1.65 subscores in reading and writing)	110		

Entry and progression requirements are subject to change and may vary by program.

BRIDGE PROGRAM

The Bridge program provides two semesters of advanced graduate preparation to students holding a select three-year international undergraduate degree. You can begin taking classes in your master's program while completing general education requirements needed for graduate school at Mason. To view all participating Bridge programs and entry requirements visit www.intostudy.com/mason/programs

* Estimated credits remaining after Pathway/Total credit hours needed to complete degree.

Semester	Start Dates		Credits*	Entry Requirements				Progression Requirements All GPAs are minimum cumulative

ACADEMIC ENGLISH

Our Academic English program helps you improve your language skills while adapting to US culture. Additionally, you can choose electives to match your interests, learn industry-specific vocabulary or prepare for standardized tests.

What You Will Learn

- Understand US values in an academic setting.
- Present spoken and written ideas accurately and effectively in English.
- Write research papers with proper use of citations and references.
- Read, understand and critically evaluate academic texts.
- Understand and use vocabulary common to academic disciplines.
- Take useful and accurate notes in academic lectures and presentations.

Content-Based Instruction

Students will explore American culture, contemporary American issues and other topics that will build the background knowledge and the study skills needed for success in their Pathway program courses.

University and Community Engagement

Academic English students begin making connections with Americans right away. Academic English classes are located alongside university classes so both international and American students are walking the hallways of the Mason Global Center.

The Conversation Partners program allows students to improve conversational English skills through language and cultural exchange. Students can participate in Destination Mason, a program designed to learn more about campus life and involvement, or join one of the 450+ organizations on campus to practice English outside the classroom.

Estimated Academic English (AE) Level Based on Test Scores

All students take a placement test during Orientation to determine their AE level. The table below shows your estimated level of AE based off your standardized test scores.

AE Levels	TOEFL iBT	IELTS	Duolingo
Foundations	N/A	N/A	Below 40
Level 1	Below 30	Below 4.0	40-50
Level 2	30-39	4.0	55-60
Level 3	40-49	4.5	70-75
Level 4	50-59	5.0	80-85
Level 5	60-69	5.5	90-95
Level 6	70-79	6.0	100-105
Level 7	80-89	6.5	110-115

Key Program Facts

- High school diploma required
- Minimum age 17 (students under 17 can be accepted on case-by-case basis)
- No English language requirement; students will be assessed and placed upon arrival
- Program length 16 weeks (11 weeks in Summer)
- 18-20 hours of instruction per week (25 hours in Summer)
- Minimum enrollment 1 semester
- 8 levels of instruction from beginner to advanced

Progression Requirements

International Year One 3-Semester Pathway

Completion of Academic English Core and Oral Communication Skills Level 3 or higher

International Year One 2-Semester Pathway

Completion of Academic English Core and Oral Communication Skills Level 4 or higher

International Year One 1-Semester Pathway and Undergraduate Transfer Program

Completion of Academic English Core and Oral Communication Skills Level 5 or higher

Direct Undergraduate Admission

Completion of Academic English Core and Oral Communication Skills Level 6 or higher

Graduate 2-Semester Pathway

Completion of Academic English Core and Oral Communication Skills Level 5 or higher

Graduate 1-Semester Pathway and Bridge Program

Completion of Academic English Core and Oral Communication Skills Level 6 or higher

Direct Graduate Admission

Completion of Academic English Core and Oral Communication Skills Level 7 or higher

Start Dates for Academic English

Fall 2021	Spring 2022	Summer 2022
Aug 23, 2021	Jan 18, 2022	May 16, 2022

"My time here at INTO Mason prepared me for university. I had classes which helped me to adjust to US life and to academics. I felt...much more open to speak and to express myself. It just made me think in another way."

Sabina, Uzbekistan
Graduate Pathway in Psychology
