LEARN WITHOUT BOUNDARIES

Study at The University of Manchester, one of the top universities in the world, and you'll become part of one of the UK's biggest student communities, making use of world-class, modern facilities housed among historic Victorian buildings.

EDUCATIONAL EXCELLENCE

Prepare to study at one of the most respected institutions in the world, recognised for its high-quality education, research and academic achievements dating back almost 200 years.

ENCOURAGING INNOVATION

From the birth of the modern computer to the isolation of graphene, world-changing innovation is at the heart of the University. Its research covers one of the largest ranges of areas among UK universities.

START YOUR JOURNEY AT INTO MANCHESTER

With a range of academic and English language programmes leading to a degree at The University of Manchester, INTO Manchester provides a supportive environment where you can build your knowledge, skills and confidence to succeed in your studies, life and career.

"The University of Manchester has a lot of specialist facilities for Engineering – they have everything a student could need. I want to work for NASA one day and I know that The University of Manchester can give me that push."

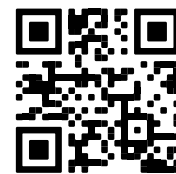

Samir, Mexico
BEng (Hons) Aerospace Engineering,
The University of Manchester

Law**

"I'm thankful for INTO because it helped me understand my environment here in Manchester. A lot of people come to University and the UK for the first time, and struggle to handle it but I feel like having time at INTO to get used to everything was extremely helpful."

Sonya, Malaysia
LLB (Hons) Law, The University of Manchester

Want to improve your English?
