Ref. Ghadeer Almutairi

To whom it may concern

I have taught Ms. Ghadeer Almutairi some undergraduate courses in the public administration. During her study, she showed endurance, ability to provide original thinking and ability to deal thoughtfully with task assigned to her. Ms. Ghadeer Almutairi has good skills that enable her to pursue the graduate studies. In addition, she gets along very well with her instructors and is well liked by her colleagues.

Mrs. Ghadeer Almutairi is capable to continue her studies in the field of management. I have no hesitation to strongly recommended her for admission at your graduate school.

Best Regards,
