Re: Reference Letter for Maryam Alsalem Alomair

To whom it may concern,

I am writing this reference letter for Mrs. Maryam Alsalem Alomair. Maryam was a student on the Master of Science in Risk Management and Insurance in the 2019/20 academic year. During this time, she studied two of my modules – Underwriting Risk (B3), and Risk Analytics and Big Data (B1). Maryam’s hard work ethic and resilience enabled her to achieve B-grades in these modules, and thereafter, to be awarded a Second Class Honours, Grade 1 in the programme during a global pandemic.

As an educator who is committed to helping deserving students succeed and deliver research excellence within the Kemmy Business School, I am happy to be a reference for Maryam. Please contact me at 085-7204793 or barry.sheehan@ul.ie if you have any additional questions.

Sincerely,

Dr. Barry Sheehan,
Course Director, MSc in Computational Finance
Course Director, MSc in Machine Learning for Finance
Course Director, Grad. Dip. In Data Science for Finance
