

TO WHOM IT MAY CONCERN

I certify that Mr. Abdullah Hezam Alshahrani was a regular student at Civil Engineering Department, College of Engineering and IT, Onaizah Private Colleges in Qassim- Kingdom of Saudi Arabia. I taught him CE 343 (Transportation and Traffic Engineering) and CE 447 (Highway Engineering).

Eng. Alshahrani was a clever and energetic student and able to exchange information with his colleagues and lecturers. Moreover, he is very communicative, quiet, friendly, open for ideas and philosophies of other people and very balanced in his behavior and judgments, in whatever field. He was acting in a cooperative and understanding manner that makes him a responsible person, easily work within a group. I want to emphasize that he always understands what is going on and is capable to continue working and taking care and attention for other people.

I recommend Eng. Alshahrani for employment. He will be an extremely positive addition to your institution. If you have any further questions or requests, please do not hesitate to contact me.
