In support of my student Mr ABDULLAH HEZAM ALSHAHRANI, who studied with us for his bachelor's degree at the college of Engineering & Information Technology, Onaizah Colleges, Al-Qassim, Saudi Arabia, with registration number 1203381201. I have interacted with him both inside and outside the classroom, and found him to be polite, sincere and responsible. As a whole, Mr. Abdullah has performed well and has worked diligently to understand the subject matter. His attribute of persistence and dedication will not only help him to pursue higher education but will also help him excel in his field. He is a diligent student and has proven himself to have the perseverance and initiative, necessary to complete his postgraduate master's degree. I am confident he will prove to be a positive asset to your graduate program. If I can be of any further assistance or provide you with any further information, please do not hesitate to contact me sincerely.
