

**To whom it may concern**

It is my pleasure to write this letter of recommendation for **Ph. Fahd Abdulaziz Alkhuraif**; a graduate of the Faculty of Pharmacy, Prince Sattam Bin Abdulaziz University; 2019 with G.P.A of (4.38/5.00). As a student, he has proven to be a bright receptive and motivated student who is willing to go beyond the stated objectives and assignments. His positive attitude toward his instructor is remarkable. His written work demonstrates his ability to synthesize information at a level exceeds that of his fellow students. His personality is very pleasant and congenial.

In addition to his academic performance, **Ph. Fahd Alkhuraif** also interacts well with his colleagues. He is an articulate, polite, informed, and motivated person. He is a valuable student leader. He is determined, sharp and analytical to the level where he can even point out the disparities in his colleague's presentation.

I feel elated to recommend **Ph. Fahd Alkhuraif** as I am positive about his hard work and intelligence. I am sure that he will be a proud addition. In the case of any query or doubt, you can drop me a mail at [g.soliman@psau.edu.sa](mailto:g.soliman@psau.edu.sa) and I'll be happy to solve them.
