Dear Sir/ Madam

Greetings to you.

It is my immense pleasure to write a recommendation letter for one of my best student Ms. Asma Awad Mohamed Alamri (Academic Number: 432811222) belongs to nursing department, who Applied for getting admission for M.Sc. Nursing post graduate program from your well esteemed institution. As her teacher really I am impressed with her both academic and extracurricular performance. She is one of an intelligent, hardworking enthusiastic student with superior grades in her academic performance.

I taught her course like community health nursing, epidemiology, communicable disease, primary health care & pediatric nursing courses at level 8, 7 & 6. During the course of studies, her grades were exceptionally very good. Also she is a honest, empathetic and skill full student in clinical practice settings. She done all her clinical practice procedures and given patient care in a skill full manner and she actively participated in all clinical and community activities.

She is skill full to face challenges and leadership roles. She also actively participated in research activities and done a research under my supervision in community health nursing subject. She is punctual in her work and submits all assignments by putting her innovative ideas. Above all she is a well-disciplined student with good communication and interpersonal skills. She also exhibits some characteristics such as independent, excellent participation in classroom and confident in her subject matter, active in team works, which all essential for her further studies.

As her teacher I think she is a talented girl to face higher challenges and stronger competitions internationally as well as nationally. I believe with your renowned faculties she will gain higher level progress in knowledge and practice in nursing profession. I have strong confidence that Ms. Asma Awad Mohamed Alamri will be one of the most promising student in your M.Sc. Nursing program and I am sure that she will succeed in future carriers.

I would like to appreciate your most favorite considerations to her and it would be great pleasure for me to see her continuing her higher studies (M.Sc. Nursing program) at your well esteemed institution. If there is a question regarding her reference, please feel free to contact me at any time.

Thanking you...have a great day...

Sincerely,

Dr. X.S. BlessingNimaSajai
