To Whom It May Concern

I am writing to recommend that Mrs. Alayed Malak Abdullah I. be admitted the master program in special education. I have had the opportunity to observe the quality of Mrs. Alayed's work. I found her to be a thoughtful and inquisitive student. She was willing to ask questions and participate in the class discussions.

I have no reservations about her ability to do well in a graduate program and I am pleased to recommend her.

Sincerely,

Ali Alzahrani, Ph.D
Associate Professor
Department of special Education
King Saud University
