

### To Whom It May Concern

I hereby certify I have known Mr. **Rakan Raad Alsharif** in my capacity as Associate Professor of accounting at the College of Business Administration for roughly 4 years.

During this period, he shows himself to be willing to carry out whatever task he is asked to do.

He has also shown himself to be a hard working student who dedicated himself for his study and participated effectively in different University activities and programs in and outside the university.

On a personal note I have always found him to be considerate and understanding both with students and teachers. I would be happy to recommend him for any further studies that he might want to take up in the future.

Best Regards

Dr. Ibrahim El Kelety

Associate Professor

Accounting Department
