Recommendation for Mr. FAHAD HASSAN S. ALWADANI

To whom it may concern:

It is great pleasure for me to write a recommendation for **Mr. FAHAD HASSAN S. ALWADANI**, whom I have known and learn for the past three years. It has been a gratifying experience to see **Mr. ALWDAANI** mature from student to dedicated professional. He is a man of great ability, highly motivated, and is eminently qualified for Tourism and Archaeological postgraduate studies and works.

I have no reservation in giving him my highest and most enthusiastic recommendation.
