

Recommendation letter

To whom it may concern

I am writing this reference at the request of "Fahad Hassan Al-wadani", who is applying for a Master program in your university.

During this time "Fahad", has showed himself as a promising young specialist and researcher, He was allowed by our faculty to write his projects and degree thesis in the field of Tourism & Archaeology.

As his teaching, I have had an opportunity to observe the student's participation and overall progress. I would rate the student's overall performance as excellent, because he has got only excellent marks and has achieved marked results in different academic and student fields..

"Fahad" showed immense working efficiency and competitive knowledge and skills in his chosen field by having successfully self-studied.

I evaluate "Fahad" as intelligent, dependable, dedicated person, who is ready to achieve his goals. I am positive, that "Fahad" would be a tremendous asset to your program and I highly recommend him to you without reservation. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,

Dr. Mohammed Alhazmi
