Dear Zainab Ali A

I am very pleased to confirm that you have met all of our entry conditions and thank you for accepting our offer. As an overseas student, you need to apply for a visa to study in the UK. Please use the CAS (Confirmation of Acceptance for Studies) number and other information provided in the CAS Statement to complete your visa application. You may choose to include this copy of your CAS Statement with your visa application but it is not compulsory.

Please check that the CAS statement is correct and let us know immediately if any details are wrong (such as course end date) or change (such as fees paid recently) prior to applying for your visa. If you do not request any necessary corrections before making your visa application, we cannot be held responsible for any subsequent problems with your visa.

You should contact us immediately if your visa application is unsuccessful (refused) and you must include the refusal notification.

As soon as you have made your travel arrangements then please send us details of when you will be arriving, even if you have not requested an airport pick-up. All students are expected to arrive in centre for the first day of their course. Where this is not possible, you must arrive by the latest course joining date shown on your CAS Statement or you will not be permitted to join the course.

If you have any questions, please do not hesitate to contact us. We would like to take this opportunity to wish you an enjoyable time at INTO and we look forward to meeting you.

Yours Sincerely

Dawn Abbott

BRP COLLECTION

When you apply online for your visa, you have the ability to have your Biometric Resident Permit card (BRP) sent to the INTO Centre. We strongly recommend you do this so that INTO can deliver your BRP to you during the induction programme.

To do this, when completing your online visa application please complete the 'BRP Collection Alternative Location' field by inputting the code **2FE322**, press FIND, check to make sure this is the university you are applying to, then press SUBMIT. This will ensure your BRP card is delivered safely to the INTO Centre. It is important to use the FIND and SUBMIT to confirm you want your card delivered to the INTO Centre. If you do not do this, your BRP card will be delivered to a local Post Office based on the postcode of your study or UK residence address and you will need to collect your BRP from the Post Office during your induction.

***A maximum of £1,334 (even if you have paid more) will be taken into account by UKVI when calculating how much money you must show as available to you for living costs.**

UKVI may ask you to provide documents to prove that you have sufficient maintenance funds. You will need to have a minimum of **£25,772.00** available for a period of at least 28 days or provide evidence that this will be covered by a legitimate sponsorship agency. If your account is not in British Pounds, you will need to use www.oanda.com/currency/converter on the day you apply for your visa, to make sure that you have enough funds in your own currency. Please see www.intohigher.com/visa-maintenance-requirements for more information about how maintenance funds are calculated and the documents that can be accepted by UKVI.

INTO Manchester reserves the right to make changes in fees and other charges from time to time without notice. **You must keep this letter in a safe place and bring it with you to the UK where you may be required to show it on entry or submit it in support of a visa renewal.**

Yours Sincerely
