To whom it may concern,

Re: Mohammed Alghamdi,

I am writing this reference at the request of Mr. Mohammed Alghamdi who was one of the students in our MSc Medical Virology programme during 2017/2018 academic year.

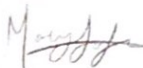

During that time, Mohammed has showed himself as a promising and hardworking student. He demonstrated very good communication skills, interpersonal abilities, and sound judgment.

I have had the opportunity to observe his participation and overall progress. He showed immense working efficiency and competitive knowledge and skills and I would rate his overall performance as very good. He also has a good level of proficiency in written and oral English.

At a personal level, Mohammed is a well-disciplined, industrious student with a pleasant personality.

In summary, I recommend Mohammed for the position that he is applying for as his disciplined approach to learning makes him particularly well suited to take advantage of this opportunity.

Yours sincerely,

Dr. Moustafa Alkhalaf

Dr. Moustafa Alkhalaf | Lecturer – MSc Medical Microbiology/MSc Medical Virology | Faculty of Biology, Medicine and Health | School of Medical Sciences | University of Manchester.
