Recommendation Letter

TO WHOM IT MAY CONCERN

The student Miss Aisha Mansour Debian Albalawi was my student at Department of Biology and she studied with me the course "Introduction to Biology" and "General Microbiology", she got a grade of A.

I found her keen for getting knowledge and committing herself to excellence. She is a student with high Ethics, Cooperative and Hardworking. I strongly recommend her for Higher Education and any Job position.

Assigned,
Dr. Fareha Bano Abdul Jabbar
Assistant Professor
