

Statement of Purpose

I am writing this statement of purpose to apply for the Masters in Business Administration program at University of (-----). I want to pursue this degree because I have always been interested in business, and I think that an MBA will help me advance my career as well as my path in management and leadership roles.

Consequently, I obtained my bachelor degree in Business Administration & Management from the University of Texas at San Antonio in United States of America in 2016. Throughout my studies, I had the chance to take courses in several area such as International Management, Managing Human Resources, Principle of Finance, Management strategy, Mngng Efctv Teams & Reslv Cflct, Principle of Marketing, and Designing Organizations Leading Orgs & Mkng Decisions. After graduating from the University, I decided to go back to my home country and, I start to worked at Saudi Aramco company in Human Resources department when I join the company, I crossed something off my bucket list. It was a priceless experience from which I learned so much. I was able to learn and grow working with extensive processes and approval cycles.

I currently work in the Ministry of Energy that is where I developed my knowledge to work in the field in collaboration with colleagues in Human Recourses. I received a lot of support from my manager to study abroad again and to obtain the Master's degree through your esteemed University, and I am seeking a Master's in Business Administration (MBA) to help further in my career path in management and leadership roles then, come back with more knowledge and experience as i can use that knowledge to benefit the Ministry. I also, have seen all the conditions required by for your master's degree. The Ministry of Energy will be responsible for the financial ability to pay tuition regularly, and it doesn't pose any problems with that, knowing the absolute commitment and diligence, and perseverance in respect of the study, I also like the atmosphere of educational competition and the constant knowledge of everything that is new.

As I am very ambitious and excited to improve my knowledge and pursue a successful career, I would like to be considered for the MBA Master degree program at your esteemed University. have always been passionate about learning new things and exploring opportunities that allow me to grow personally or professionally; therefore, pursuing an MBA is something that excites me beyond words! Moreover, I strongly believe that completing this course would help improve my skillset significantly which would ultimately help advance my career path further than ever before possible. Also, I have been doing some searched to review many programs and universities and I finally pick your university because I am confident and optimistic of your faculty's ability to deliver excellent education, diverse material, and up-to-date knowledge. This makes me feel very excited and I expect to hear good news from your admission committee soon.
