Academic Standing

Undergraduate Academic Standing	Clear Standing	A minimum cumulative grade point average of 2.00.
	Academic Warning	Prior to Fall 2015: Students whose cumulative grade point average falls between 1.50 and 1.99. As of Fall 2015: This standing will no longer be used.
	Probation	Prior to Fall 2015: Students whose cumulative grade point average falls between 1.00 and 1.49, or who receive a second consecutive academic warning. As of Fall 2015: Students whose cumulative grade point average falls below 2.0 will be placed on probation.
	Suspension	Prior to Fall 2015: Students whose cumulative grade point average falls below 1.00, or who fail to fulfill the conditions of probation. As of Fall 2015: Students will be suspended if they fail to fulfill the conditions of probation.
	Dismissal	Students readmitted after a period of suspension will be readmitted on probation. As of Fall 2016: Students who fail to comply with the conditions of reinstatement or whose performance would result in suspension for a second time will be permanently dismissed. (Prior to fall 2015 students were dismissed).
	Program Dismissal	As of Fall 2016: Students dismissed from a program may be eligible to move into another degree or major if they are not on suspension and are not prohibited from taking required courses pursuant to any academic regulation or university policy.
Graduate Academic Standing	In order to continue in a prescribed program of study at the graduate level, a student must maintain a minimum B- average overall.	

Course Numbering

Courses are designated by a three or four character subject code, and a five character course identifier. The first four characters of the course identifier are numeric. The fifth is an alpha character, denoted as follows:

C	Continuing Education course
E	English for academic purposes
G	Graduate course
T	Trent University course
U	Undergraduate course

Repeated Courses

As of fall 2012, undergraduate students may repeat any course a maximum of two times. The most recent grade is used in calculating the grade point average.

Prior to fall 2012, undergraduate students could repeat courses in which they received a grade of D or lower. Only the highest grade was used in calculating the grade point average.

Repeated courses are denoted as follows:

I	Mark included in GPA
E	Mark excluded from GPA

Explanation of Terms

AW	Administrative Withdrawal
CO	Continuance Grade
CR	Credit granted on work experience
DEF	Deferred examination granted
INC	Incomplete
T	Transfer credit awarded*
W	Withdrawn
WF	Failure for non-attendance
YR	Full year Trent University course (half year notation)

*Denotes direct equivalency or alternative credit assessment.
