

Whom It May Concern:

It brings me great pleasure to recommend Mr. Sultan Alshalawi for further studies. He has been working at General Authority of Civil Aviation as Specialist Operation for three years. Given his experience and skills, he can improve himself by adding a master's degree to his qualification. He is a graduate and has extensive experience in the field. He is currently working Full time at General Authority of Civil Aviation and wishes to continue his studies. He is therefore commended to any institution he may apply. I am willing to provide any further information related to this matter.

Sincerely,

Mamdouh Almalik
