INTERPRETATION

Credit Hours (CHR): A unit to quantify the load of a course. Normally, one credit hour represents one lecture hour per week.

Total Grade Points (TGP): Computed by summing the grade points of all courses attempted in the current semester.

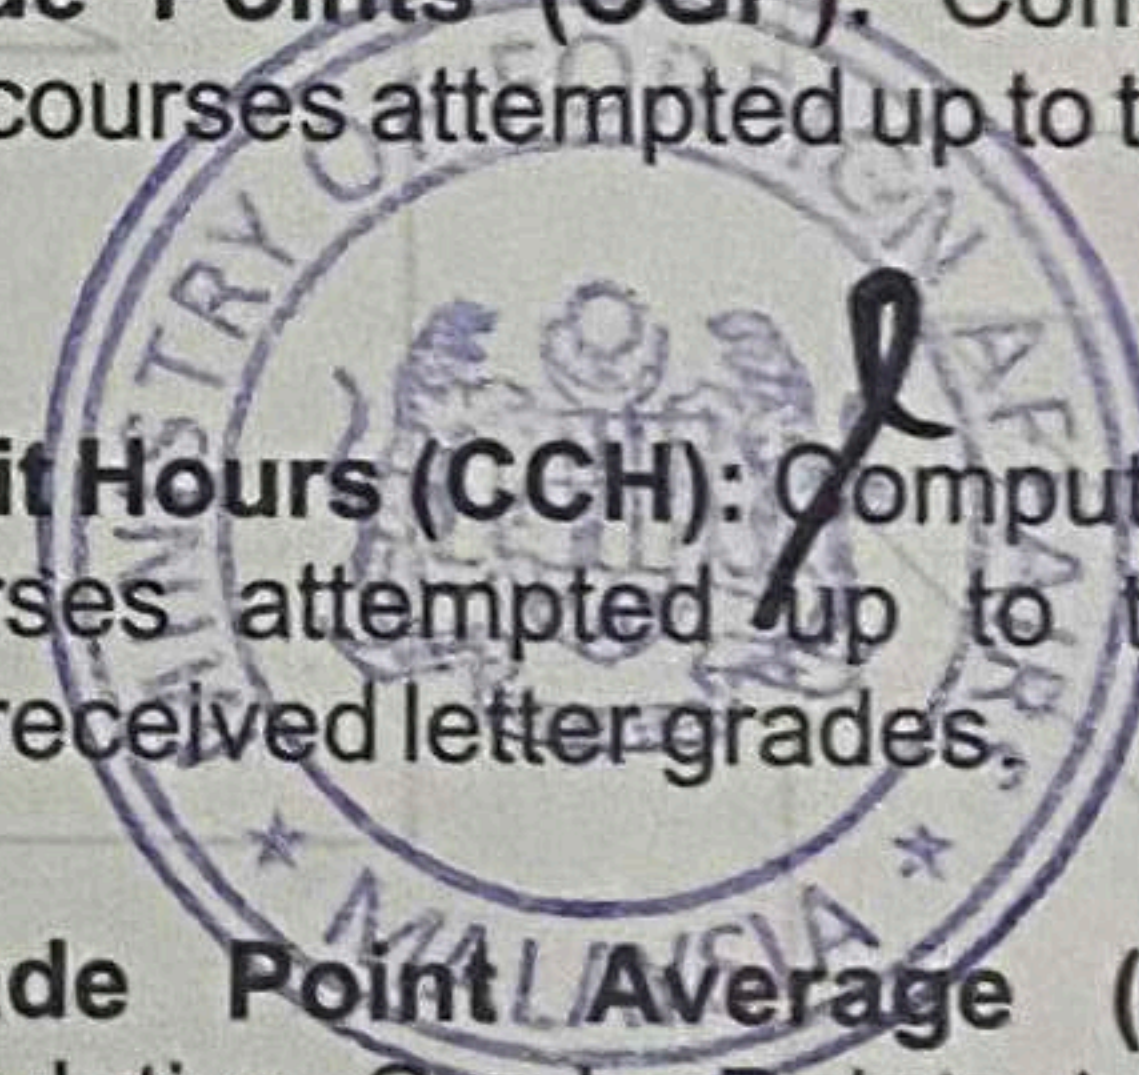

Total Credit Hours (TCH): Computed by summing the credit hours of all courses attempted in the current semester in which the students received letter grades.

Grade Point Average (GPA): Computed by dividing the Total Grade Points by the Total Credit Hours.

Cumulative Grade Points (CGP): Computed by summing the grade points of all courses attempted up to the current semester.

Cumulative Credit Hours (CCH): Computed by summing the credit hours of all courses attempted up to the current semester in which the student received letter grades.

Cumulative Grade Point Average (CGPA): Computed by dividing the Cumulative Grade Points by the Cumulative Credit Hours.
