TO WHOM IT MAY CONCERN

Dear Sir/Madam,

I am drafting this reference at the request of Almatairi Najwa Tariq, a Saudi national (Passport No. Y1046622/Matric No. 1727234) who is applying for your postgraduate program. I have identified Almatairi for 4 years in my position as a lecturer at International Islamic University Malaysia. Almatairi studied economics subjects and scored better grades in those classes. I would rate Almatairi's academic performance in my class as excellent based on her grades, attendance and class participation.

I would highly recommend Almatairi Najwa Tariq for this postgraduate program. She will be a positive addition to the program if her performance in my class is any indication of how she will succeed.

If you should need any additional information, you can feel free to contact me at +6 03 6421 4619 or by email at aslamakbar@iium.edu.my anytime. Thank you.

Sincerely,

Dr. Mohamed Aslam Akbar
Assistant Professor, Dept. of Economics,
Faculty of Economics and Management Sciences,
International Islamic University Malaysia.
