To Whom It May Concern

I'm writing to express my fervent support for Almatairi Najwa Tariq, a Saudi national (Passport No. Y1046622/Matric No. 1727234) who is applying for your postgraduate program. Since she enrolled in my STATISTICAL METHODS (ECON 1140) course, I have known Najwa. Najwa actively participated in class, showing her interest and excitement for my subject. Najwa has the kind of personality that values education. Najwa performs well in her academic and research endeavours and gets along well with her colleagues. She is well-spoken, courteous, and knowledgeable. She has a clear idea of the academic direction she wants to take in the next years. I wholeheartedly support her application because I believe she would be a great candidate. Almatairi Najwa Tariq has my highest recommendation for this postgraduate programme. If her performance in my class is any indication of how successful she will be, she will be a valuable addition to the programme.

You can reach me at any time via email at rafia@iiu.edu.my or by phone at +6 03 6421 4789 if you should need any additional information. Many thanks.
