

ABDULLAH Mohammed Sharahili
ab-sharahili@riyadhschools.edu.sa

Sincerely Yours,

Alqadi, Abdullah Fahad H. has been a student in my Computer class for the academic year 2022-2023. He is a very academic student in all areas of Computing throughout the year. He is an intelligent student who takes an active part in class discussions and experiments. He has worked hard during this year, as an individual and with his peers, and has achieved excellent results. I would highly recommend this student.

To whom it may concern,

Riyadh Schools for Boys
