Dear Admissions Committee,

It is with great pleasure and enthusiasm that I am writing to endorse Huzaifa Imran's application to your program. For the last 8 years at Abdulaziz International School, I have been a mentor to many Economics students. I hope my perspective will be helpful to you as you evaluate this exceptional candidate.

My first contact with Huzaifa Imran was in Grade 10 when I taught him Economics as he was a great student till Grade 12.

During the time I have known Huzaifa, he has distinguished himself as a conscientious and energetic pioneer in the fields of leadership. Your program of study sounds ideally suited to Huzaifa's needs and talents. He will be coming to you with the qualities of a natural leader: genuineness, intelligence, and integrity. Just as importantly, he would come with an enthusiasm for learning, as well as a resolute desire to understand new theories and ideas.

Huzaifa has outstanding organizational skills. He is able to successfully complete multiple tasks with favorable results despite deadline pressure. He has consistently demonstrated an ability to rise to any challenge that he must face. He never gives up or refuses any challenging assignments, working hard to reach a high-quality standard.

I urge you to carefully consider Huzaifa who is, quite simply, one of the best outstanding Economics students I have ever met.

Sincerely,

Mostafa Mohammad Abou Yassin
