

To Whom It May Concern

I am pleased to write this letter of recommendation for Abdulrahman Alasmari who is interested in pursuing his MSc Human Resource Management degree. Abdulrahman Alasmari has worked as a hr coordinator and worked with me in my position as Financial Analyst & Business Developer at Wardat Almashreq Food Company for 2 years.

Abdulrahman Alasmari is one of the most remarkable people I have had the honour to know personally and professionally. he is very disciplined and focused in his work. I had the privilege of working with him, he made it clear that further education was part of his 2-year plan and that is exactly what he is aiming for now.

I am positive that Abdulrahman Alasmari will prove to be one of your brilliant students owing to his exceptional ability to pick concepts and apply them in the real world. I recommend him for the MSc human resource management degree program at your university, as I feel he is well-trained, ambitious and self-effacing.

If you need any further information regarding Abdulrahman's suitability, please feel free to contact me.

Sincere regards,
