TO WHOMEVER IT MAY CONCERN

It is a great pleasure to recommend Shifa Abdulmunaf Junedipatel for admission to your esteemed university. She is one of the most exceptional students I have encountered in my teaching experience.

Shifa is a perceptive, sharp, quick individual, most of all she is driven to find how things work. She is the best at whatever work she is assigned to. Her personal strengths are as impressive as her intellectual accomplishments. She has an active, outgoing presence in class and has been a great support to her classmates as well as her teachers.

Shifa has my highest recommendation for your program. She has demonstrated excellence in all that she puts her mind to and her endless curiosity combined leads me to believe there is no limit to her growth and achievements in college and beyond.

Sincerely,

CS

I had the pleasure of teaching Miss. Shifa Abdulmunaf Junedipatel for two years, in Grade XI and XII. She has impressed me with her ability to articulate difficult concept and texts.

She speaks clearly and eloquently and responds to questions in a thoughtful way. She is an active participant in discussions and always supported her peers. Her caring nature and personality allow her to get along well with others in a team setting and also respects others options.

She is talented, caring, dedicated and focused in her pursuits.

Shifa has my highest recommendation for admission to any college that she wishes to join (or that she wishes to pursue).
