I have had the pleasure of knowing Sabreen Saleh Mohammed Alkahlani Registration No: **3656663** for four years in my capacity as a teacher and head of the Department. I taught her several courses in which she did very well. She attended the classes and participated in all curricular activities. She graduated in the academic year 2020 with an accumulative grade of 4.71 out of 5.

Sabreen is a serious, capable, and personable young woman. She has excellent written and verbal communication skills. She is organized, reliable and hard working. She can work independently and is able to work in a team.

I am quite confident if given the chance to pursue her higher studies, she has the motivation and skills to succeed. Sabreen will be a positive addition to any program in English Language. If you should need any additional information, you can feel free to contact me.
