## Official Transcript of Studies

**This document should not be regarded as proof of a qualification unless seen in conjunction with the original degree certificate.**

The University of Reading's taught degrees operate on a modular system, where each module carries a credit-weighting. Each credit equates to approximately 10 hours of work including contact hours such as lectures or classes, as well as further reading and assessments.

Qualifications are based on the following numbers of credits

### Undergraduate

- 120 credits = Certificate in Higher Education (CertHE)
- 240 credits = Diploma in Higher Education (DipHE)
- 360 credits = Bachelors Degree (BA, BSc)
- 480 credits = Four year Bachelors or Integrated Masters Degree

### Postgraduate

- 60 credits = Postgraduate Certificate
- 120 credits = Postgraduate Diploma
- 180 credits = Masters Degree

In the case of a student who has failed a module and then been reassessed, the transcript shows the total number of attempts taken and the highest mark/grade achieved in these attempts.
