Prof. Tarek Tawfik Alkhatteb,

Dear Sir / Madam

I've taken this opportunity to thank you and appreciate you giving me this opportunity to speak about Mr. ALDAWSARI, MUBARAK SHUJAA M. Passport No.: W213187 I formerly worked as a faculty member in the marketing department at the College of Business Administration, Prince Sattam Bin Abdulaziz University, during the period 2008–2020. He is my student, and I know him very well. I have taught him many courses.

since 2014 and to form a clear idea of his passion for expanding and advancing his knowledge both professionally and academically. MUBARAK has been a student at Prince Sattam Bin Abdulaziz University's College of Business Administration in Saudi Arabia.

During the years I taught Mr. MUBARAK, he worked hard and improved a lot, and he always came to class with a focused energy. He has that combination of a positive attitude and the belief that he can always improve that's rare in a Business Administration student, but so essential to the learning process. I am confident that he will continue to display the same commitment and diligence in everything he does. Your scholarship is intended for students who have had a rough start in life, and it will help him realize his academic dreams.

During his stay at the university, Mubarak's performance has always been remarkably outstanding, and MUBARAK is known as a well-disciplined and responsible student with a pleasant personality. I have always found him to be very hard-working, well-engaged, and knowledgeable in different study aspects. I believe Mr. Mubarak is very positive and will greatly prove himself in any academic or working context.

Mr. MUBARAK is an outstanding student and individual who supports others in and out of the Business Administration College. He was a pleasure to have in class, and his positive attitude and belief in himself, even in the face of difficulty, is an immensely admirable asset. I'm confident that he will continue to demonstrate the same diligence, perseverance, and optimism that he showed myself and his peers. I recommend Mr. MUBARAK for further postgraduate studies. Should you require any further details, please don't hesitate to contact me.

Please have no hesitation in contacting me with any further information.
