

Dear Sir/ Madam,

I'd like to take this opportunity to thank you for allowing me to speak about Mr/ ALDAWSARI, MUBARAK SHUJAA M. Passport No.: W213187 As a student at Prince Sattam bin Abdulaziz University, I was under the supervision of the faculty. He is my student, and I know him well. I taught him many courses to clearly understand his passion to expand and advance knowledge professionally and academically. Mr/ ALDAWSARI has worked hard, made great progress, and always looks good in class during the years I have taught him. He has a positive attitude and a belief that he can always improve, which is rare among business students but significant to the learning process. I am sure he will continue to show the same dedication and care in everything he does. Your scholarship is for students who have had a rough start in life and will help them achieve their academic dreams.

Over that time, I was consistently impressed with his skills, as well as his dedication and good humor. I've often said that if I could clone myself, I wouldn't have to deal with student issues again. He's a truly gifted student, fast on his feet, and able to remember complicated orders without using an order pad.

He's also an innovator. Other students love him. Finally, I can strongly advise him to complete his higher education because he is a qualified individual. Please contact me if you have any questions or if I can be of assistance.

Sincerely,

Dr. Dr. Haide Mahmood
