Ref: Hamoud Abdullah Z Alzubayd

I have known Mr. Alzubayd since he was admitted to this Faculty in 2011 as an undergraduate student in Clinical Laboratory Sciences. Following his preliminary year, He spent three years studying the various courses of Clinical Laboratory, which were all taught in English. He was graduated with Bachelor degree in 8-6-2015 after spending one year Internship in the hospital laboratories. Mr. Alzubayd was one of the best students in his class, He proved to be a hard worker, eager to learn and enjoys good sense of humor. Therefore, I have no hesitation to recommend him for postgraduate studies in Clinical Laboratory Sciences
