## Recommendation Letter

To Whom It May Concern:

I am pleased to recommend **Maher Ehsan Ahmed Mousa Abdalla Elfarra**, who is a student in my Computer Science class in grade 12 A-Level year 2022 – 2023 in Al-Rowad International Schools, Riyadh, Saudi Arabia. I know him as a strong student and a role model for his peers.

He is a rare type of student who combines exceptional natural ability with a willingness and eagerness to learn, he is able to help his peers with difficult Computer Science concepts, but does so in a way that is both practical and non-condescending. Although he is aware of his natural ability in the area of Computer Science, he is constantly challenging himself.

He would make an excellent candidate for early admissions. I recommend him without hesitation. Should you have any questions, please feel free to contact me.

Sincerely,

**Mahmoud Farouk Bahnassy**

Senior ICT & Computer Science Teacher
