Letter of Recommendation

February 08, 2023

It gives me pleasure to write this letter of recommendation for *Ms. Renad Zamil J Derar*, whom I have known in my capacity as an educator. *Renad* is an intelligent, responsible, and personable young student. She is always eager to learn and passionate about knowledge and research. I feel confident in saying that *Renad* would be capable of handling university study with thoughtfulness and maturity.

Looking at her educational performance and her fluency in English language, I can gather that *Renad* is indeed taking her role as a student quite seriously and she is continually passionate about getting excellent results. Based on my observation of her abilities, I believe *Renad* has the potential to be a conscientious undergraduate student at your university.

It came as a no surprise to me that *Renad* is keen to pursue her undergraduate studies at a reputable university. This is given that she had thus far proved herself as a hard-working and self-motivated student. *Renad* would surely make a good addition to your institution. Consequently, I recommend the admission of *Renad* into an undergraduate programme of her choice and I wish her the best of luck in her future academic endeavours.

Sincerely,

Prof. Hamza Alshenqeeti
