

To Whom it May Concern,

I am pleased to provide a reference for Ms. Rasees Aljbreem. Overall, Ms. Aljbreem has been always eager to learn extra and explore new areas. Also, she developed outstanding critical thinking and analysis skills.

In my opinion, MS Aljbreem has the potential to flourish further academically at her master's level studies and I have no hesitation to recommend her candidature at Universities in the United Kingdom.

Best regards,

Abeer A. Alessa, LL.M, SJD
