To Whom It May Concern,

It is my sincere pleasure to write this recommendation letter upon the request of my student Mishari Alharbi whom I taught in grade 12.

Mishari has always been interested and cognitive in managing his time, working hard under my supervision and recognizing the importance of a strong work ethic and intellectual integrity. Based on his grades, attendance and class participation, I'd rate Mishari's academic performance and personal character as very good.

Mishari has also fulfilled all the requirements with honor and high spirit. He is known to have positive influence on the atmosphere of the learning activity. He has shown a true personality in holding responsibilities and showing a great quality of leadership. He is an active, hard-worker, and deeply self-aware individual.

Throughout the senior year, Mishari showed active participation in class discussions and activities. His personality allows him to work well with others in a team setting. I myself know him as a good-hearted person who is respectful to teachers and peers.

In conclusion, I would highly recommend Mishari Alharbi. If his performance in my class is any indication of how he would perform in your university, Mishari will be a positive addition and a highly skilled student in your institution.
