TO WHOM IT MAY CONCERN

I am writing this letter of recommendation for Ms. Retal Abdullah AlGhamdi. Ms. AlGhamdi has worked with us for the past two years as an assistant to the School Psychologist; she is a student at Effat University with a bachelor's degree in clinical psychology.

Ms. AlGhamdi has excellent communication skills, is a hard worker, is passionate about her work, and gives her full attention to the students who need academic support. As a clinical psychologist, she was helpful with social-emotional skills with creativity, analytical thinking, problem-solving, and resiliency. In addition, she has leadership skills, organization skills, administration skills, and pays attention to minor details which are qualities that has endeared her to the School.

Her educational background has endowed her with critical communicate skills that have been pivotal to the success of the psychology and counseling department. She is a great listener and has been focal in following up with students' cases. In addition, she is resourceful and has created materials and reports for students with learning needs. She manages to make the student's environment safe and gives them the freedom to express their concerns with complete care and support.

Ms. AlGhamdi works effectively in a team and independently. She also has the skills to coach, evaluate, and help the teachers understand students' conditions especially for instructional purposes. She has worked closely with learning support teams and provided guidance for students with learning disability. She is keen on professional development for herself and her team especially educators that work with her.

Although Ms. AlGhamdi started working with us while she is student, her required attendance according to her schedule was perfect. She is always on time and works the total needed hours for her job. She is never absent and follows her work schedule accordingly. I enthusiastically recommend Ms. AlGhamdi for a position in your esteemed organization, and I am confident that she will be asset as she has been to our community. You will find her passionate, highly motivated, competent, and a committed worker. Do not hesitate to contact me if additional information is required.

Sincerely,
