

Recommendation Letter

To whom it may concern

I am writing this recommendation letter at the request of Ms. Retal Alghamdi. Holder of Effat University ID. S18104960. As her major of specialization is Clinical Psychology.

As Ms. Alghamdi instructor, I have watched her develop both academically and personally and into a mature individual, as she studied with me during the Academic years 2019-2021.

Ms. Alghamdi has academically excelled and has drawn her peers to her pace through enthusiasm, confidence and determination. She has been an ideal student. In order to achieve the highest grades and my deepest respect, she has demonstrated outstanding leadership and maintained a clear sense of purpose during her undergraduate studies.

Ms. Alghamdi achieved remarkable command of studies; she developed a strong sense of confidence with a charming attitude as a senior student. Therefore, I could always depend on her to set the best example as a student in Effat University.

Additionally, she has excellent written verbal communication skills, is well organized and reliable. Ms. Alghamdi is able to follow through to ensure that the job is done. Moreover, Ms. Alghamdi can work both independently and in teams, she has actively participated in volunteering and social activities.

I wholeheartedly recommend her as a future master student, and wish her all the best.
