To whom it may concern

The UK Data Protection Act 1998 protects you and the personal data you supply to the University of Edinburgh.

All data kept within the University is treated as confidential. The University maintains student data in secure conditions and processes and discloses data in accordance with the terms of its Data Protection notification. Personal data you supply to the University will be made available for official purposes to academic and administrative staff, but access to data is strictly confined to staff with relevant responsibilities.

Therefore, if you would like your agent to represent you and obtain information from the University of Edinburgh regarding your application for study, you must give the University of Edinburgh your express permission to do so. **Please note that should you give permission some data about your application to the University of Edinburgh will be displayed to your agent via a secure website.**

Please sign the disclaimer below to give permission:
