To Whom It May Concern

I am writing to you about Khaled Alotaibi who has been an employee in the Aircraft Engineering Support department at SAEI since the 4th of April 2022.

It was a privilege to work with Khaled. He was an assistance to our team and our company, and he has extraordinary communication skills and is an individual who demonstrates the utmost professionalism and integrity. He is very organized, responsible, knowledgeable, and diligent about resolving and assisting colleagues with any issues.

Without a doubt, I confidently recommend Khaled for further studies at master's Level and wish him every success in his future.

I am sure he would be a credit to your postgraduate program.

Thank you,
