To Whom It May Concern

I have known Mr. Abdullah Mubarak S Alrasheed since 2020. I taught him one courses during his undergraduate programme. Namely, *Computer Integrated Manufacturing*. Mr. Alrasheed showed clear enthusiasm in the learning process and had a keen desire to excel. I believe he is very capable of pursuing his postgraduate studies. On the personal side Mr. Alrasheed is an intelligent hardworking student and behaves in a very respectable manner. Should you require any further information about Mr. Alrasheed's academic performance, do not hesitate to contact me through the following email address:
