## Recommendation Letter

To whom it may concern,

This letter will serve to confirm that I have worked with Mr. Salman, as his direct manager since September 2022 until present in Consumer Protection at Banque Saudi Fransi. During work, I notice that Salman is a very attentive, respectful, dedicated employee who works in a very serious and disciplined manner. After evaluating his performance, Mr. Salman is a valuable employee with a competitive mindset to achieve the organization's goals. He is always present and punctual. In addition, he is extremely organized and has excellent communication skills. Moreover, he is flexible and willing to work on any project that is assigned to him. Salman was quick to volunteer to assist in other areas of bank operations, as well.

He has shown a very keen interest to learn more and to share his knowledge with the rest of his colleagues. He has been at the forefront in all aspects relating to his work and has proved to be a value-added asset to our organization.

Salman attended different development courses like effective communication, customer experience, and road of mapping that are offered by BSF Academy.

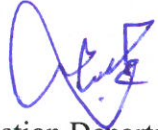

Salman has indicated an interest in pursuing his post graduate studies in London. I think that is an excellent idea for his development and I have no doubt whatsoever that he would do very well.

Consequently, I have no hesitation to recommend his candidacy for MBA studies in London.

Should you require further details or if I can be of further assistance, please don't hesitate to contact me directly.

Sincerely,

Husam Mahmoud Abed  
Head of Consumer Protection Department.
