To whom it may concern:

I am writing this letter in reference to Faisal Zuwayyid Alrashdi, who participated in our internship program at the Seneca County Drug Task Force and a student with Tiffin University. It has been my pleasure to have worked with Mr. Alrashdi while participating with the Seneca County Drug Task Force. Mr. Alrashdi was able to experience numerous operations involving the investigation, surveillance, and apprehension of drug suspects in our community and adjacent communities. I found Mr. Alrashdi to be highly motivated and enthusiastic when accomplishing assigned tasks. Mr. Alrashdi was diligent and not only met but exceeded all expectations. Faisal participated in report writing, documentation of surveillance activities, data entry, and evidence management. I commend Mr. Alrashdi's performance with our unit.

I have also had the pleasure of having Mr. Alrashdi in the class room in my capacity as a professor at Tiffin University. In the class room Mr. Alrashdi exhibited excellent leadership skills by assisting other students with group projects and providing additional direction of the assigned projects. I was able to witness once again the enthusiasm and motivation as he applied himself to the lessons. I also had the opportunity to observe his leadership skills in the field when he participated in the Saudi Club and volunteered to teach others about his culture and heritage. I am also aware that Faisal is very active as a leader in with the Saudi Club.

Mr. Alrashdi has shown a strong interest in the field of criminal justice and investigations. I would strongly recommend Mr. Alrashdi for a career in criminal justice and have no doubt that he would be an asset to any agency who would choose to employ him. I would like to offer my wholehearted endorsement of Mr. Alrashdi and wish him God Speed in his endeavors!!
