Recommendation for Alenazi, Badr Ayed (341102137)

I am pleased to write this letter of recommendation on behalf of **Badr Alenazi** for postgraduate study in nursing. I have known him for three years, since he began his Bachelor of Nursing programme at the College of Applied Medical Sciences, Jouf University. I taught him a number of courses including Emergency Nursing and Nursing Research. He has completed all courses of the programme with a Grade Point Average (GPA) of **4.53** out of 5, with **2nd Degree Honour**.

I find **Badr** to have exceptional intellectual abilities with rigorous devotion to excellence. He has well responded to complex clinical and research challenges and managed to consistently complete all academic requirements well on time.

In addition to excelling academically, **Badr** is a well organised student, always alert and motivated, and has the enthusiasm to learn beyond the curriculum. He is proficient in the use of the English language with excellent communication skills.

I am confident that he would contribute effectively to your institution. I therefore highly recommend him, without reservation. Please do not hesitate to contact me if I can be of any further assistance.

Yours Sincerely,
