

Dear Admissions Committee.

This letter is in support of Khalid Bandar Albogami admission application for entry to the Class of 2024 at your University.

For three years at Ibn Khaldun High School, I have had the distinct pleasure of having Khalid as a student in my debate classes and on my debate team. Khalid has excelled in school in more ways than one. He has shown exceptional leadership and kept a strong sense of purpose in order to earn the highest marks and my utmost respect.

It is with pleasure that I recommend Khalid, as a wonderful person and a promising student. Khalid will contribute much to your university. I taught Khalid English throughout the years at Ibn Khaldun school, full of drive and perseveres with a winning attitude unmatched by peers. Khalid is always kind, attentive, and always engaged with the class.

Khalid has been a top performer in his final high school year and was among the top five in the three previous years. Khalid can understand complex problems and solve them faster than the average student. Khalid manages time well and is always willing to give a hand to fellow students who need help. Khalid possesses the qualities of a leader but always remains humble in his interactions with others. With the qualities that Khalid possesses, he was appointed as a member of the Student Dialogue Council and the Guidance and Counseling Group. I am confident any college would be happy to have him. An outstanding student with so much to offer.

Our school benefitted with him as a student here. I am confident your faculty will benefit him as a student. I would be happy to answer any other questions you may have in relation to Khalid.
